

# ITU WRS-24 Space Workshop

---

Alexandre Vallet  
Chief, Space Services Department

2-6 December 2024, Geneva, Switzerland

# Overview of types of satellite notices

	Geostationary-satellite orbit (GSO)	Non-geostationary-satellite orbits (non-GSO)
Subject to a Plan	Appendices <b>30</b> , <b>30A</b> and <b>30B</b>	None
Not subject to a Plan but subject to formal coordination under Section II of Article 9	Usual case	Only if operating in radio services and frequency bands subject to Nos. <b>9.11A</b> or <b>9.21</b>
Not subject to a Plan and not subject to formal coordination under Section II of Article 9	Only for the cases of intersatellite links with non-GSO systems not subject to coordination	All other cases than above

## Notices for earth stations

Notices for radio astronomy stations

# Overview of types of satellite notices

	Geostationary-satellite orbit (GSO)	Non-geostationary-satellite orbits (non-GSO)
Subject to a Plan	04/12 – Sessions 2, 3, 4 – Room C 05/12 – Session 1 – Room C 06/12 – Sessions 3, 4 – Room Popov	-
Not subject to a Plan but subject to formal coordination under Section II of Article 9	04/12 – Sessions 3, 4 – Room Popov 05/12 – Sessions 2, 4 – Room Popov 06/12 – Sessions 2, 3, 4 – Room Popov	04/12 – Session 4 – Room Popov 05/12 – Session 1, 2, 3, 4 – Room Popov 06/12 – Sessions 2, 3, 4 – Room Popov
Not subject to a Plan and not subject to formal coordination under Section II of Article 9	-	04/12 – Session 2 – Room Popov 05/12 – Sessions 1, 3, 4 – Room Popov 06/12 – Sessions 2, 3, 4 – Room Popov
<b>Notices for earth stations</b>	<b>06/12 – Session 1 – Room Popov</b>	
Notices for radio astronomy stations	06/12 – Session 2 – Room Popov	

# Activities during the processing of a notice

Overview of software

4 December – Session 1 – Room Popov

	4 December	5 December	6 December
<b>Submission and Receivability</b> (completeness and correctness)	Sessions 2, 3 – Room C Sessions 2, 3, 4 – Room Popov	Session 1 – Room C Sessions 1, 4 – Room Popov	Sessions 1, 2, 4 – Room Popov
<b>Regulatory and technical examination</b> (compliance with the Radio Regulations, list of coordination requirements)	Sessions 3, 4 – Room C Sessions 3, 4 – Room Popov	Sessions 1, 2, 3, 4 – Room Popov	Session 4 – Room Popov
<b>Publication and Commenting</b> (databases and pdf)	-	-	Session 3 – Room Popov
<b>Post-MIFR-recording activities</b>	-	-	Session 2 – Room Popov

## Space Services Department – today

**Receiving, examining and publishing notices in the three Space Plans (Appendices 30, 30A and 30B), including all actions following their recording in the Lists or MIFR**

**Receiving and publishing notices not subject to a Space Plan, including some actions following their recording in the Lists or MIFR**

**Examining notices not subject to a Space Plan, including some actions following their recording in the Lists or MIFR**

# Space Services Department – as of next year

Receiving, examining and publishing notices in the three Space Plans (Appendices 30, 30A and 30B), including all actions following their recording in the Lists or MIFR

Receiving, examining and publishing notices not subject to a Plan but subject to coordination under Section II of Article 9

Receiving, examining and publishing notices not subject to a Plan and not subject to coordination under Section II of Article 9

Post MIFR-recording actions on notices not subject to a Plan as well as supporting strategic and sustainability initiatives
