

## **BR IFIC 2932 – NEWS**

The Radiocommunication Bureau is pleased to inform all administrations that the Bureau has implemented in the e-Submission system a feature to make comments to API/A special sections available on the web. This new feature implements the requirement of No. **9.3.1**, adopted at the World Radiocommunication Conference 2019 (WRC-19).

All comments to API/A special sections published on and after BRIFIC 2927 will now be made available as-received under the “Comments” tab on the As-Received webpage:
