SUBMISSION OF INFORMATION FOR NIGCOMSAT-1R SBAS SYSTEM TO BE TAKEN INTO ACCOUNT IN THE 18TH RESOLUTION 609 (REC.WRC-07) CONSULTATION MEETING

I write to inform participating Administrations in the resolution 609 process, and those included in the most recent BR list of all article 9/11 filings for RNSS frequency assignments in the 1164-1215 MHz band, that there have been no material changes in the information previously provided under §§11b) and c).

2. The frequency assignments in the 1164-1215 MHz band for NIGCOMSAT-1R network were brought into operation in 2011. The formal "bringing into use" has been declared to ITU, and the notification notice sent in 2015.

3. This is in accordance with the requirements as stated in § 12b) of Resolution 609 (Rev. WRC-07) Consultation Meeting Terms of Reference (MOD, Geneva, September 2011). Nigeria Administration therefore requests that NIGCOMSAT-1R satellite network be included in the official calculation of maximum aggregate epfd produced by all RNSS systems that provided/confirmed characteristics in accordance with Terms of Reference.

4. Accept, the assurances of the Honourable Minister's esteemed regards, please.
