Dear Sir / Madam,

SUBJECT: EIGHTEENTH ITU-R RESOLUTION 609 (REV. WRC-07) CONSULTATION MEETING

As the notifying administration for the RAGGIANA-18 satellite network, and in accordance with the deadlines established in the Convener's memorandum of 20 March 2021, the Administration of Papua New Guinea would like to provide the following information to the administrations listed by the BR in its RES-609 RNSS reference list:

1. RAGGIANA-18 remains on the list provided by the BR under § 11 a) of the Terms of Reference (MOD, Cyberjaya, September 2019) in preparation for the Eighteenth Resolution **609 (Rev. WRC-07)** Consultation Meeting;

2. There have been no material changes to the information previously provided for RAGGIANA-18 under §§ 11 b) and c) of the Terms of Reference (MOD, Cyberjaya, September 2019) for Resolution **609 (Rev. WRC-07)** Consultation Meetings. The frequency assignments for the RAGGIANA-18 satellite network have been brought into use.

In accordance with § 12 of the Terms of Reference (MOD, Cyberjaya, September 2019) for Resolution **609 (Rev. WRC-07)** Consultation Meetings, this letter satisfies the PNG Administration's obligations and requirements stated in §§ 11 b) and c) of the same Terms of Reference with respect to the Eighteenth Resolution **609 (Rev. WRC-07)** Consultation Meeting.

Yours sincerely,

Kulu Alu
Manager – Frequency Coordination
