- Administrations participating in the Resolution 609 process

Dear BR,

Subject: UK satellites to be taken into account in the 18th Resolution 609 Consultation meeting

At the 17th Res 609 meeting (2020), UK GSO satellites located at 64E, 143.5E and 98W were taken into account in the aggregate epfd calculation. In accordance with Section 12 of the Terms of Reference, the UK commits that there have been no material changes in the information previously provided and taken into account at the 17th Res 609 meeting. These three satellites should continue to be taken into account at the 18th Res 609 meeting.

The relevant filings for each of the three satellites are below.

Location	Filing name and reference
64E	INMARSAT GSO-2N (PART II-S, IFIC 2696) INMARSAT-4B 64E (PART II-S, IFIC 2934)
143.5E	INMARSAT-4 143.5E (PART II-S, IFIC 2725) INMARSAT-4A 143.5E (PART II-S, IFIC 2825)
98W	INMARSAT-4 98W (PART II-S, IFIC 2710) INMARSAT-4A 98W (PART II-S, IFIC 2822)

The technical data for these three satellites is unchanged from that used in the 17th meeting.

Yours sincerely

Callum Gray
