

## **Dr. Simon Dunkley**

Dr Dunkley is European Regulatory Director for Silver Spring Networks Ltd, and has worked in the company's London office since 2011. Simon is actively engaged in both CEPT SE24/SRD/MG and ETSI TG28 and was closely involved with studies to investigate the release of the 870/915MHz band; indeed his contribution to the utility community for this work was recognized in him being named one of the '40 Most Influential People in European Smart Grid' in 2015 by Metering and Smart Energy International.

Simon was educated in the respective Physics departments of London's Imperial College and the University of Cambridge.
