3) Processing of notifications submitted by the Administration of the Republic of the Sudan

The Bureau has initiated consultations with the Administrations of the Republic of the Sudan and the Republic of South Sudan with regards to the necessary update of the Radio Regulations, the Master Register, the Plans and other related information following the partition of the ITU Member State "Republic of the Sudan" into two separate States "Republic of the Sudan" and "Republic of South Sudan".

In addition, the Bureau has recently received and processed notifications submitted by the Administration of the Republic of the Sudan, which are published in the following Special Sections:

3.1 Special Section GE06/67

The Special Section GE06/67 annexed to this BRIFIC contains 95 proposed modifications to the GE06D Plan submitted by the Administration of the Republic of the Sudan.

3.2 Special Section GE84/196

The Special Section GE84/196 annexed to this BRIFIC contains 233 proposed modifications to the GE84 Plan submitted by the Administration of the Republic of the Sudan.

Consequently, these proposed modifications are provisionally published as submitted by the notifying Administration, and may need to be reviewed once the Bureau receives official information on the demarcation of borders between the Republic of the Sudan and Republic of South Sudan.
