**VALIDATION
EN LIGNE**

BR/TSD/TPR

Atelier du WRS-18 – Genève (Suisse), 5-7 décembre 2018

Comment utiliser l'outil de validation en ligne

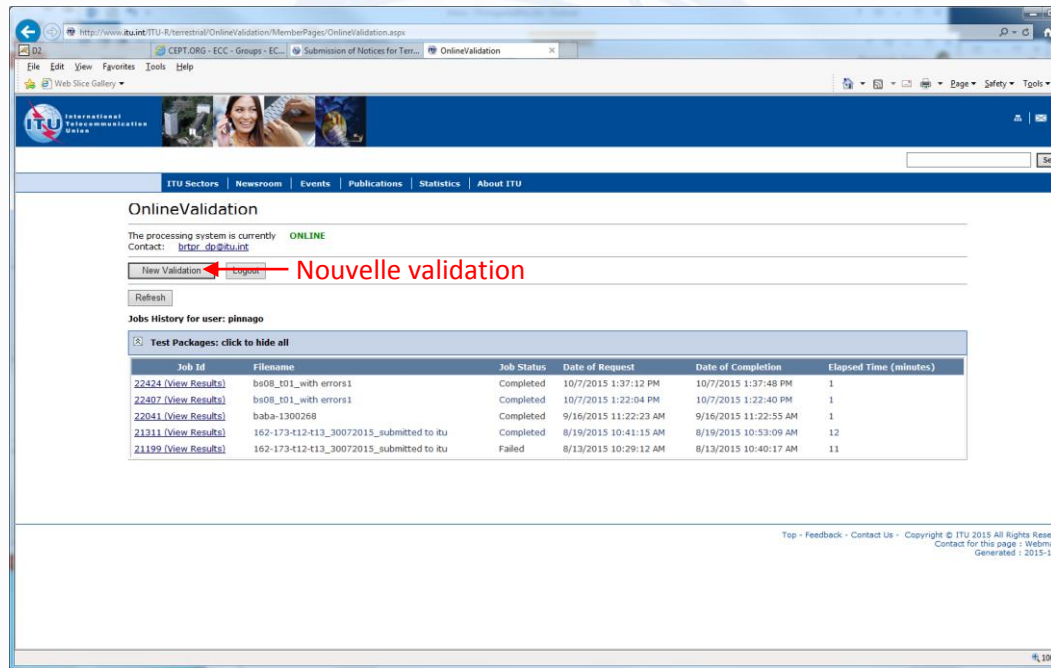

- Vous devez avoir un compte UIT avec les Services TIES.
Si vous n'en avez pas, allez sur <http://www.itu.int/TIES/index.html> pour en demander un en ligne.
- Saisissez vos identifiant et mot de passe d'UIT pour vous connecter

A screenshot of a web browser displaying the ITU TIES login page. The browser's address bar shows 'http://www.itu.int/terrestrial/OnlineValidation/Login.aspx'. The page has a blue header with the ITU logo and navigation links. The main content area is white with a blue box containing the title 'Validation of Terrestrial Frequency Assignment/Allotment Notices' and a description. Below this is a 'TIES Login' form with fields for 'Username [pinname]' and 'Password [*****]', a 'Remember me next time' checkbox, and a 'Login' button. Two red arrows point to the fields: one to the username field labeled 'Identifiant UIT' and one to the password field labeled 'Mot de passe TIES'. The footer contains copyright information for 2015.

Comment utiliser l'outil de validation en ligne

- Cliquez sur "**New validation**" (nouvelle validation)

The screenshot shows the ITU OnlineValidation web interface. At the top, there is a navigation bar with links to ITU Sectors, Newsroom, Events, Publications, Statistics, and About ITU. Below this, the page title is "OnlineValidation". A status message indicates "The processing system is currently ONLINE" with a green "ONLINE" label. A contact link "http://dp2.itu.int" is provided. A red arrow points to the "New Validation" button, which is labeled "Nouvelle validation" in red text. Below the button is a "Refresh" button. A section titled "Jobs History for user: pinnago" contains a table with the following data:
