CCITT / ITU-T

ITU

Update at Study Group 3

- SG3 has determined the new roaming recommendation (ITU-T D.97)

- ITU has already circulated this recommendation along with other recommendations determined in the last SG3 meeting to Member States via (**TSB Circular 209**) on 23 May 2016

- Member States are encouraged to support these recommendations which were all supported by SG3ARB in it previous meetings as well and chaired by members from the Arab Member States

Update at Study Group 3 |2

- Final approval of these recommendations will be at the World Telecommunication Standardization Assembly (WTSA) in *Yasmine Hammamet* (*25 October to 3 November 2016*)

Other Updates

- IMR amongst Arab Member States
- IMR amongst the Gulf Corporation Council (GCC) Member States
