Emerging Economic,  
Regulatory and Policy Trends  
for an Inclusive, Sustainable  
and Trustworthy Digital World

**Antananarivo, Madagascar**  
**18 February 2019**

## Lwando Bbuku

Financial Analyst, Zambia Information and  
Communications Technology Authority  
(ZICTA); Co-Chairman ITU-T Study Group 3  
Regional Group for Africa

Lwando is a dedicated professional with over 10 years of demonstrated experience in ICT Regulation, Financial Accounting as well as Audit and Assurance Services. Through his role as Financial Analyst at the Zambia Information and Communications Technology Authority (ZICTA), Lwando has gained unique insights into emerging trends and their associated impact on the performance of the ICT sector both at national and international level.

He currently serves as Co-Chairman of the Regional Group for Africa under ITU-T Study Group 3 on Economic and Policy Issues as well as Rapporteur for question 2/3 on Dispute Resolution and question 8/3 on Alternative Calling Procedures under the same Study Group.

Lwando has served with diligence, impartiality and intellectual competency in various roles at regional and international fora distinguishing himself at some of the highest levels of the ITU including the 2016 World Telecommunication Standardisation Assembly (WTSA) where he chaired the adhoc group meeting on the terms of reference and mandate of Study Group 3 and most recently at the 2018 ITU Plenipotentiary Conference where he was appointed to chair the contentious adhoc group meeting on Resolution 146 relating to the Periodic Review and Revision of the International Telecommunication Regulations (ITRs).
