

# **‘Zero Carbon Energy Society’ – Strategic Perspectives on Frontier Technologies**

**Piyush Verma, PhD**

**Senior Energy Market Analyst, International Energy Research Centre, Ireland**  
**Global Future Energy Leader, World Energy Council, London**

“If I had an hour  
to solve a problem  
I'd spend  
55 minutes  
thinking about  
the problem  
and 5 minutes  
thinking about  
solutions.”

– Albert Einstein

Are we asking the right question???

Thank you for your purchase of:  
1 pack of Notorious P.U.G @ \$6.21.

Leveraging societal power and the power of technology
