MEETING ANNOUNCEMENT

Source:	ITU/TSB
Title:	Meeting of the Collaboration on ITS Communication Standards

Contact:	T. Russell Shields RoadDB United States	E-mail: trs@roaddb.com
Contact:	Stefano Polidori TSB	Tel: +41227305858 Fax: +41227305853 E-mail: stefano.polidori@itu.int

1   The meeting of the Collaboration on ITS Communication Standards (CITS) will be held on 9 September 2020, as an e-meeting.

2   The **Collaboration on ITS Communication Standards (CITS)** functions as a globally recognised platform for the harmonization of Intelligent Transportation Systems (ITS) communication standards. The CITS meeting provides an opportunity to collaborate, exchange information and keep experts updated on ITS standardization. The representatives of various involved standards bodies are invited to submit to the CITS meeting a status report on ITS standardization ongoing in their respective organizations. Through CITS, ITU has also been developing a standards database to assist with the harmonization of standards for intelligent transport systems (ITS). Inputs to update the database are also invited.

3   The e-meeting of the CITS will be held from **1000 to 1600 hours CEST**. Participants are invited to submit input documents, e.g. progress reports from various SDOs, in electronic format to the CITS Secretariat at tsbcits@itu.int, ideally by **4 September 2020**.

4   A draft agenda prepared by the CITS Chairman and any contributions received will be made available on the CITS webpage.

5   Discussions will be held in English only.

6   Participation is open to:

   (i)   representatives of ITU Member States, Sector Members, Associates and Academia, and any individual from a country which is a member of ITU who wishes to contribute to the work; and

   (ii)   any individual from a national, regional or international SDO who wishes to contribute to the work.

7   Registration for the upcoming CITS meeting is to be done as soon as possible via the online registration form available here. The meeting will be conducted as fully virtual meeting. The remote participation details for this meeting will be made available on the CITS webpage.

More information about the CITS meeting will be made available at https://www.itu.int/go/cits. All documentation pertaining to the CITS meeting can be found here.

Kindly contact tsbcits@itu.int for further information.
