Title:	2nd meeting of ITU-T Focus Group on Trust and Identity for Humans and Agentic AI, Geneva, 26-27 January 2027	
Contact:	TSB FG-TIDA Secretariat	E-mail: tsbfgtida@itu.int

1 We are pleased to announce that the 2nd meeting of ITU-T Focus Group on Trust and Identity for Humans and Agentic AI (FG-TIDA) is scheduled to take place at ITU Headquarters in Geneva, Switzerland, from 26 to 27 January 2027, in conjunction with the ITU-T SG17 meeting in Geneva.

2 The aim of the meeting is to progress FG deliverables. The discussion will be held in English only. Documentation, remote participation details and other related information on the FG-TIDA meeting will be made available on the homepage.

3 Participation in FG-TIDA is free of charge and open to all relevant parties such as networking technology experts from network operators, technology vendors, standards developing organizations (SDO) and academia. Anyone interested in updates and announcements related to FG-TIDA is invited to subscribe to the mailing list at https://itu.int/go/fgtida/lists (free ITU account needed).

4 Pre-registration is required for both in-person and remote participation and carried out exclusively via the online form. To enable ITU to make the necessary arrangements (especially for remote connection), participants are invited to register online as soon as possible but not later than **20 January 2027**. Please collect your badge at Montbrillant building entrance of the ITU. Information on meeting-room allocations will be available on screens throughout ITU Headquarters, and online here.

For non-ITU users, please consult the dedicated page on how to create an account or contact tsbfgtida@itu.int if you have questions.

5 Contributions should be submitted through the GitHub repository which is public or by e-mail to the FG-TIDA Secretariat (tsbfgtida@itu.int) by **19 January 2027** at the latest using the templates available from the GitHub page.

Access to meeting documents will be provided from the FG-TIDA homepage (TIES or Guest account required).

Key deadlines:

19 January 2027	- Submit contributions by e-mail to tsbfgtida@itu.int using the template available on GitHub page
20 January 2027	- Pre-registration via online form
