MEETING ANNOUNCEMENT

ITU-T Focus Group on Vehicular Multimedia (FG-VM)
(Fully-virtual meeting, 18-19 June 2020)

(Updated 28 May 2020)

Dear Sir/Madam,

Please be informed that the ninth meeting of ITU-Focus Group on Vehicular Multimedia (FG-VM) will be held as a fully virtual meeting, **18-19 June 2020** at **14h00-17h00** (CEST).

1 Background

This Focus Group aims to analyse and identify gaps in the vehicular multimedia standardization landscape, and draft technical reports and specifications covering, among others, vehicular multimedia use cases, requirements, applications, interfaces, protocols, architectures and security.

The eighth meeting of FG-VM was held as a fully virtual meeting, from 12-13 March 2020. See the report of the eighth meeting posted as output FGVM-O-039 (free ITU account required for access)

2 Ninth meeting of FG-VM

The main objective of this ninth meeting is to advance the development of the FG-VM draft Technical Report on "Vehicular Multimedia Architecture"; the latest draft version was posted as FGVM-O-040. Also, this meeting will discuss the future plans of this Focus Group in view of the termination of the mandate given by SG16 to FG-VM.

3 Registration and Participation Information

Participants are required to **pre-register online** via the FG-VM webpage as soon as possible, and **no later than 6 June 2020**. Registration is essential to attend the meeting remotely.

Participation in FG-VM is free of charge and open to all individuals coming from countries that are members of ITU that are interested to contribute to the work. This includes governments, automotive, multimedia and telecom/ICT industries and associations, academia and research institutions, non-ITU Members and individuals.

Anyone interested in updates and announcements related to this group is invited to subscribe to the FG-VM mailing list. Details on how to subscribe can be found on the FG-VM homepage at http://itu.int/go/fgvm.

4 Timing and Duration

The meeting will start at 14h00 (CEST) hours on 18 June 2020 and will be adjourned at 17h00 hours.

Meeting will reconvene on 19 June 2020 at 14h00 and plans to conclude by 17h00.

The draft agenda, meeting documents and additional information will be available from the FG-VM homepage in advance of the meeting. See the FG-VM SharePoint site (Free ITU account required).

4.1 Key deadlines:

Pre-registration deadline	6 June 2020
Contribution deadline	12 June 2020

5 Contribution

Written contributions should be submitted to the secretariat (tsbfgvm@itu.int) in electronic format using the template available from the FG-VM homepage. **The deadline is 12 June 2020.**

Written contributions are invited to further progress the work using the template. They should be sent as an electronic attachment to tsbfgvm@itu.int.

6   Additional information

All relevant information are or will be available from FG-VM homepage:
https://www.itu.int/en/ITU-T/focusgroups/vm/Pages/default.aspx

The meeting documents are: https://extranet.itu.int/sites/itu-t/focusgroups/vm/SitePages/Home.aspx

FG-VM Management team

–   **Chair** of FG-VM: Mr Jun Li (TIAA, People's Republic of China).

–   Vice-Chair of FG-VM: Ms Gaëlle Martin-Cocher (Blackberry, Canada).

–   Vice-Chair of FG-VM: Mr Kaname Tokita (Honda, Japan)

WG1: Vehicular Multimedia use cases and Requirements

–   **Chair**: Gaëlle Martin-Cocher (BlackBerry, Canada)

    –   Vice-chair: Kaname Tokita (Honda, Japan)

    –   Vice-chair: Lu Yu (Changan Automobile Co, LTD, China)

    –   Vice-chair: Guo Yansong (Great Wall Motors Co, LTD, China)

WG2: Vehicular Multimedia Architecture

–   **Chair**: Yajun Kou (Global Fusion Media Technology and Development Co. Ltd, China)

    –   Vice-chair: Dimitri Konstantas (University of Geneva, Switzerland)

    –   Vice-chair: Jie Li (China Telecom, China)
