

Join the journey towards Smart Sustainable Cities!

United for Smart Sustainable Cities (U4SSC) is a global platform for smart city stakeholders to shape smart sustainable cities worldwide.

U4SSC advocates for public policies to encourage the use of ICTs to facilitate and ease the transition to smart sustainable cities.

Call for Experts to shape Smart Sustainable Cities Worldwide

Build a unique network, share best practices with peers, help implement the New Urban Agenda and achieve Sustainable Development Goal 11: "Make cities and human settlements inclusive, safe, resilient and sustainable".

Join now and work with us on...

- Guides on tools and mechanisms to finance SSC projects
- Guidelines on strategies for circular cities
- City science application framework
- Guiding principles for artificial intelligence in cities
- Strategy for smart sustainable cities
- Overview of smart sustainable cities & the role of ICTs
