SUBJECT Candidates for Vice-Chairmen of TSAG and ITU-T study groups

Dear Mr Lee,

In response to your request in TSB Circular 237, Germany is pleased to nominate the following candidates for the position of Vice-Chairmen of TSAG and the ITU-T SG5 for the next study-period 2017 – 2020. Please find attached biographical profiles highlighting the qualifications of the individuals concerned.

Vice-Chairman of TSAG: Mr Reiner Liebler

Vice-Chairman of ITU-T SG 5: Mr Josef Opitz

I can confirm that both candidates possess the requisite technical knowledge, expertise and management skills for the positions. Germany will support their availability for the full study period (2017- 2020).

If you need additional information, please don't hesitate to contact this office.

Yours sincerely

ITU – T Environmental subjects

ITU-T as a leader committee in environmental topics gives guidelines how to deal with the global aim to reduce the greenhouse gases as well as the question how to deal with the discussion concerning human hazard caused by electromagnetic fields of radio transmitters. Both subjects have a great influence of the telecommunication sector. ITU is on a good way in setting the required recommendations and handbooks to support the industrial players and also the government members. The work of ITU is important for protecting the environment and the human being.

Current Position

Head of section for EMF - Affairs in the Federal Network Agency. Involved in EMF-Standardization (ETSI; CENELEC; ISO), German speaker in ITU-T SG 5, responsible for the site certification procedure in Germany, dealing with ICT&Climate Change topics,

Previous functions in ETSI and CEPT

Vice-Chairman of TC RES, Chairman of CEPT RR1
