NOTES TO MARGIN
OF THE PROPOSALS IN RELATION TO THE
IMPORTANT WORK OF ITU COUNCIL: CALL FOR CONTRIBUTIONS TO THE
PUBLIC CONSULTATION ON THE ITU STRATEGIC PLAN FOR 2020-2023

<p>Io mi sono permesso di scrivere poiché oltre alla proposta portoghese anche altre proposte fanno riferimento alla Società Civile, in cui fra l'altro si trova l'utente finale dei prodotti TIC che l'industria di settore produce sulla base delle ricerche scientifiche e delle relative applicazioni tecniche in primo luogo fatte dalle Accademie ed Università.</p> <p>3. Forse è del tutto casuale che il giorno 7 luglio 2017 sia il termine per le proposte ai lavori per i Contributi alla consultazione pubblica sul piano strategico ITU per il periodo 2020-2023 e nel contempo sia la data di incontro del G20</p> <p>http://www.euronews.com/2017/07/07/g20-host-merkel-tries-to-forge-conseensus-at-hamburg-summit .</p> <p>http://www.ilsole24ore.com/art/mondo/2017-07-07/francesco-g20-priorita-poveri-e-sfollati-no-conflitti-115840.shtml?uuid=AEqS1ktB</p> <p>http://www.osservatoreromano.va/it/news/priorita-assoluta-ai-poveri-e-ai-profughi</p> <p>Il Vostro lavoro, cara ITU e cari Consiglieri del Consiglio ITU, è per davvero molto importante ed è significativo che più proposte facciano esplicito richiamo ai punti numeri 42 e 64 della Risoluzione adottata dalla Assemblea Generale delle Nazioni Unite il 25 dicembre 2015</p> <p>https://www.un.org/en/ga/search/view_doc.asp?symbol=A/RES/70/1 , pur essendo certamente anche molto importante quella adottata il 16 dicembre 2015</p> <p>https://www.un.org/en/ga/search/view_doc.asp?symbol=A/RES/70/12 5 .</p>	<p>addition to the Portuguese proposal, other proposals refer to Civil Society, in which among other things is the end user of ICT products that the industry produces on the basis of scientific research and related Technical applications firstly made by academies and universities.</p> <p>3. Perhaps it is quite random that on July 7, 2017 is the deadline for the proposals for work for Contributions to the public consultation on the ITU Strategic plan for 2020-2023 and at the same time it is the G20 meeting date</p> <p>http://www.euronews.com/2017/07/07/g20-host-merkel-tries-to-forge-conseensus-at-hamburg-summit .</p> <p>http://www.ilsole24ore.com/art/mondo/2017-07-07/francesco-g20-priorita-poveri-e-sfollati-no-conflitti-115840.shtml?uuid=AEqS1ktB</p> <p>http://www.osservatoreromano.va/it/news/priorita-assoluta-ai-poveri-e-ai-profughi</p> <p>Your work, dear ITU and dear ITU Councilors, is really very important and it is significant that more proposals make explicit reference to points 42 and 64 of the Resolution adopted by the United Nations General Assembly on December 25, 2015</p> <p>https://www.un.org/en/ga/search/view_doc.asp?symbol=A/RES/70/1 , although it is certainly Also very important the one adopted on December 16, 2015</p> <p>https://www.un.org/en/ga/search/view_doc.asp?symbol=A/RES/70/12 5 .</p>
