08:05 – 08:47	<p>Moderator: Ms Walda W. Roseman</p> <p>Moderator starts an interactive dialogue on four crucial questions</p> <ol style="list-style-type: none"> 1. Are you concerned that the information revolution might leave women behind as in the industrial revolution? What actions might we take to ensure that that doesn’t happen? 2. From words to action Do you see gender appropriately reflected in the global political agenda for ICTs? 3. Statistics suggest that women are getting online slower and later than men.....does this really matter? Do you see remedies for this at the national level? 4. What does it mean to you to be a woman in technology? What would you personally like to see for the world’s youngest female citizens in the ICT world and do you believe it is achievable? <div style="border: 1px solid black; padding: 10px; margin-top: 10px;"> <p style="text-align: center;">Women Ministers Registered for PP-14</p> <ol style="list-style-type: none"> 1.
