

30th March 2023

Ms. Sharon Bosire is a lawyer at the Communications Authority of Kenya (CA). Ms. Bosire is a professional with collaboration proficiency and extensive experience in public policy, corporate governance, and Legal experience. She has over ten (10) years of experience in Regulatory research, corporate governance, and public policy in the ICT Sector.

Ms. Bosire's academic and professional background, industrialist drive, innovative & analytical skills, and passion for strategic leadership and mentorship have been building blocks and a great resource in her interactions.

Having engaged with the work of the International Telecommunications Union, she was most recently nominated to serve and represent the Republic of Kenya and the African Group in steering top international conferences.

- Chair of the Ad hoc Committee on Internet-Related Matters during the 2022 International Telecommunications Plenipotentiary Conference (PP-22).
- Editorial Committee Vice Chair (Representing Region D - the English language) in the World telecommunications Development Conference (WTDC-22).
- Kenya's representative in ongoing discussions on Cybercrime frameworks in the Council of Europe (CoE).
- She also served in various leadership roles in the African Telecommunication Union Policy discussions from 2018 - 2022.

She continues to engage actively in the National, Regional, and international fora and has gained tremendous experience in policy, legal, and regulatory frameworks across the ICT Sector.

Ms. Bosire holds a Master of Laws Degree in Intellectual Property and ICT Law (LL.M.) and a Bachelor of Laws Degree (LL.B.) She is a member of various professional bodies, including ISACA and the Institute of Internal Auditors (IIA).
