

Brief Curriculum Vitae

Mr. Dominic Ooko, currently the Acting Director of Finance and Accounts at the Communications Authority of Kenya (CA), has accumulated extensive experience in telecommunication/ICT policy, regulatory matters, strategy, and finance since 2008.

As the Vice-Chair, Africa Region in the Council Working Group Strategy and Financial Plans (CWG-SFP), Mr. Ooko played a key role in developing the International Telecommunications Union (ITU) Strategy and Financial Plans for 2024-2027.

Previously, he served as the Chairperson of the Finance, Audit, and Risk Management Committee of the East African Communications Organization (EACO) from 2017 to 2022, focusing on enhancing EACO's financial stability.

Mr. Ooko actively contributes to the International Telecommunications Union Financial Inclusion Global Initiative Security, Infrastructure, and Trust (FIGI-SIT) Working Group, ensuring user confidence and data protection in Digital Financial Services (DFS).

He has been involved in various Universal Service Fund (USF) projects, notably the Digital Superhighway Project, aiming to bolster Kenya's ICT infrastructure with 100,000 kilometers of fiber optic cable and 25,000 public Wi-Fi hotspots.

With a Master's Degree in Financial Economics and a Bachelor's Degree in Business Administration (Finance), Mr. Ooko also holds certifications as a Certified Public Accountant (CPA), Certified Public Secretary (CPS), Certified Investment Analyst (ICIFA), Project Management (PRINCE 2) and Change Management practitioner.

We recommend Mr. Dominic Ooko for the Vice Chair, Africa Region position in the Informal Expert Group on the World Telecommunication/ICT Policy Forum (IEG-WTPF).
