Subject: Candidates for chairs and vice-chairs of the Telecommunication Development Advisory Group (TDAG) and ITU-D study groups for 2026-2029

Dear Sir/Madam,

In accordance with Resolution 208 (Rev. Bucharest, 2022) of the ITU Plenipotentiary Conference (PP), in order to help the World Telecommunication Development Conference (WTDC) appoint chairs/vice-chairs of the study groups and the Telecommunication Development Advisory Group (TDAG), Member States and ITU-D Sector Members are encouraged to indicate proposed candidates to the Director of the Telecommunication Development Bureau (BDT).

Should your administration/organization wish to propose a candidate for a post of chair or vice-chair of an ITU-D study group or TDAG, or support a currently serving chair or vice-chair (see **Annexes 1 and 2**), kindly send the name and biographical profile highlighting the qualifications of the individual concerned, preferably by **30 June 2025**.

The names and CVs of candidates nominated will be posted on the [WTDC-25 website](#) in the original language.

Your attention is drawn to the following:

- *Resolves 4* of PP Resolution 208, where it reads "that the term of office for both chairmen and vice-chairmen shall not exceed two terms of office between consecutive assemblies or conferences";
- *Resolves further 2* of PP Resolution 208, where it states "that the appointment of vice-chairmen of Sector advisory groups should be limited to two candidates and of vice-chairmen of study groups to two or three candidates from each regional organization...";
- Procedure for the appointment of chairs and vice-chairs of the Sector advisory groups, study groups and other groups, in Annex 1 of PP Resolution 208;
- Qualifications of chairs and vice-chairs, in Annex 2 of PP Resolution 208;
- Guidelines for appointment of the optimum numbers of vice-chairs for Sector advisory groups, study groups and other groups, in Annex 3 of Resolution 208, where there is mention of "...no single individual may hold more than one vice-chairmanship position in these groups in any one Sector, and only in exceptional cases hold such a position in more than one Sector".
- Section 3.2 of [WTDC Resolution 1](#) (Rev. Kigali, 2022) states that "It is expected that the chairmen and the vice-chairmen, having assumed their duties, will receive from their Member State or Sector Member the support necessary for the performance of those duties throughout the period until the next WTDC."

I look forward to receiving your proposed candidatures. I would also encourage you to already start thinking about possible nominations for Rapporteurs and Vice-Rapporteurs for future Study Questions.

Yours faithfully,

Cosmas Luckyson Zavazava
Director
