

# Round Table on Least Developed Countries

Coventry, United Kingdom  
11-15 August 2003

#### Vision

The Special Programme for the least developed countries (LDCs) will be valued for its **quality** and **timely** service aimed at integrating LDCs into the world economy through telecommunication development and its ability to positively impact the delivery of assistance to LDCs. In this effort, we will work with other like-minded actors to promote partnerships and sustainable development in LDCs.
