The discount to Administrations of the Least Developed Countries (LDCs) has been increased from 40% to 80% of the catalogue price on all ITU publications, as well as to libraries of educational institutions (for online subscriptions and CD-ROM publications only). Please note that the minimum price for a publication bought from the Electronic Bookshop is Twenty Swiss francs (CHF 20.–) and that there is no discount via this service.

All additional information concerning CD-ROMs, online Recommendations and the ITU Electronic Bookshop can be found in the Catalogue of publications and its associated Lists of ITU-R and ITU-T Recommendations.

All publications ordered from the ITU must be paid for in advance. Payments can be made:

■ Forms of dispatch

The catalogue price includes the cost of dispatch by second-class mail or the means of carriage most advantageous to the ITU. Dispatch can be requested in other forms: i.e. air mail (express and registered), EMS, Federal Express, TNT, diplomatic pouch. If one of these alternative methods is chosen, the dispatch cost will be added to the quote. Customs duties and other taxes or dues levied on imported goods are not borne by the ITU. ITU accepts **no responsibility** for loss, delay or damage in shipment.

■ Return of publications

Where a publication found to be faulty is returned to the ITU, the latter's responsibility shall be limited to replacement of the publication and payment of the costs arising from such replacement. A minimum charge of Fifty Swiss francs (CHF 50.–) will normally be invoiced to the customer by the ITU for return of the publication to stock.

In the case of electronic publications (CD-ROM and online), these general conditions shall apply, subject to the specific derogation provisions contained in the licence agreements. The placing of an order implies full acceptance of these general conditions of sale.

None of the provisions of these general conditions of sale shall be interpreted as constituting a derogation or renunciation of the privileges, immunities and facilities enjoyed by the ITU in accordance with the international agreement applicable to it, in particular the Headquarters Agreement concluded with the Swiss Federal Council on 22 July 1971, as well as the Swiss law or any other relevant national legislation.
