Circular Letter
CR/308

1 October 2009

To Administrations of Member States of the ITU

Subject: Submission of frequency assignment/allotment notices regarding terrestrial services (WISFAT)

References: 1) Resolution 906 from the World Radiocommunication Conference, Geneva, 2007
2) Circular Letter CR/289 dated 24 July 2008
3) Circular Letter CR/297 dated 20 January 2009

To the Director General

Dear Sir/Madam,

1 The Bureau wishes to remind you that as from 1 October 2009, the Bureau no longer accepts notifications of frequency assignments/allotments to terrestrial services submitted via Email. As explained in Circular Letter CR/297, they are to be submitted via WISFAT (Web Interface for Submission of Frequency Assignments for Terrestrial services).

2 The link to WISFAT and related information (including video example) is available through the main Terrestrial Services Department web page: <http://www.itu.int/ITU-R/terrestrial/index.html>.

Yours faithfully,

Valery Timofeev
Director, Radiocommunication Bureau
