3 Contributions

Contributions in response to the work of Working Parties 1A, 1B and 1C are invited*. These will be processed according to the provisions laid down in Resolution ITU-R 1-6.

The membership is encouraged to submit contributions (including revisions, addenda and corrigenda to contributions) in order for them to be received 12 calendar days prior to the start of the meeting. The deadline for reception of contributions is seven calendar days (1600 hours UTC) prior to the start of the meeting. **The deadlines for reception of contributions for these meetings are specified in the table above.** Submissions received later than these deadlines cannot be accepted. Resolution ITU-R 1-6 provides that contributions which are not available to participants at the opening of the meeting shall not be considered.

Participants are requested to submit contributions by electronic mail to: rsg1@itu.int. A copy of each contribution should also be sent to the Chairman of the relevant Working Party and to the Chairman and Vice-Chairmen of Study Group 1. The pertinent addresses can be found on:

4 Documents

Contributions will be posted “as received” within one working day on the Working Party webpages established for this purpose. The official versions will be posted on <http://www.itu.int/ITU-R/go/rsg1/en> (see “contributions” of the relevant Working Party) within 3 working days.

In agreement with the Chairmen of Working Parties 1A, 1B and 1C, **the Working Party meetings will be completely paperless.** Wireless LAN facilities will be available for use by delegates in the meeting rooms. Printers are available in the cyber café of the 2nd basement of the Tower building and on the ground and first floors of the Montbrillant building for delegates who wish to print documents. In addition, a limited number of laptops are available for those who do not have one. Please enquire at the Registration Desk for further information.

* Contributors are urged to reduce the length of their contributions as much as possible. The recommended maximum length of an input document is 10 pages. Long documents should be structured as a small number of cover pages (preferably one) summarizing the document and an attachment containing the detailed information.

5 Remote participation

In order to facilitate remote participation in ITU-R meetings an audio webcast of the Working Party plenary sessions will be provided through the ITU Internet Broadcasting Service (IBS).

Remote participants wishing to actively participate (e.g. to introduce a contribution) will need to register in advance for the meeting (see section 6) and coordinate their active participation at least one month prior to the meeting with the responsible Counsellor.

Further information regarding remote participation can be found at:

www.itu.int/ITU-R/go/rsg-remote/

6 Participation/Visa requirements

Delegate/participant registration for the meetings will be carried out online via the ITU-R website. Member States, Sector Members, Associates and Academia were each requested to designate a focal point to be responsible for the handling of all registration requests for his/her administration/organization. Individuals wishing to attend should contact the focal point designated for all Study Group activities for his/her entity directly. The list of designated focal points (DFPs) and detailed information regarding visa requirements is available at:

<http://www.itu.int/ITU-R/go/delegate-reg-info/en>

The Delegate Registration desk will open at 0830 hours on the first day of each meeting at the entrance of the Montbrillant building. Please note that the confirmation of registration sent to each delegate/participant by e-mail must be presented, together with photo identification, in order to receive a badge.
