Circular Letter
6/LCCE/41*

16 July 2004

To Administrations of Member States of the ITU and Radiocommunication Sector Members participating in the work of Radiocommunication Study Group 6

Subject: Questionnaire of a possible Recommendation on the 720P/50 system for production and studio applications

During its second meeting (27 April – 5 May 2004, Geneva), Working Party 6P appointed Mr. François Conway (CAN) as a Rapporteur to study and address the expressed interest for an ITU-R Recommendation on 1 280 × 720, 16 × 9 progressively-captured image format for production and international programme exchange in the 50 Hz environment. The Rapporteur requested the Bureau to submit the attached letter with a Questionnaire and an Appendix by way of this Circular Letter.

It is hoped the relevant information will be supplied to the Rapporteur at least four weeks prior to the next meeting of Working Party 6P to be held in Geneva 28 October to 2 November 2004.

Responses should be sent to:

Mr. François Conway (CAN)
