- **Proposed suppression of 2 Recommendations**

At the meeting of Radiocommunication Study Group 6, held on 7 and 8 May 2007, the Study Group decided to seek adoption of 4 draft revised and 1 draft new Recommendation by correspondence (§ 10.2.3 of Resolution ITU-R 1-4) and further decided to apply the procedure for simultaneous adoption and approval by correspondence (PSAA), (§ 10.3 of Resolution ITU-R 1-4). In accordance with the interim procedures recommended by the RAG at its meeting in November 2004*, the draft Recommendations in English, as revised at the meeting of Study Group 6, are listed in Annex 1 to this letter.

The consideration period shall extend for 3 months ending on 4 September 2007. If within this period no objections are received from Member States, the draft Recommendations shall be considered to be adopted by Study Group 6. Furthermore, since the PSAA procedure has been followed, the draft Recommendations shall also be considered as approved. However, if any objection is received from a Member State during the consideration period, the procedures given in § 10.2.1.2 of Resolution ITU-R 1-4 shall apply.

After the above-mentioned deadline, the results of the PSAA procedure shall be announced in an Administrative Circular (CACE) and the approved Recommendations published as soon as practicable.

The Study Group also adopted the suppression of 2 Recommendations. These are listed in Annex 2.

* [See Administrative Circular CA/145](#).
