Seize the Opportunity: Sponsor the 3rd UN Virtual Worlds Day

11-12 May 2026, Geneva, Switzerland

From Global Commitments to Local Implementation

Turning the Global Digital Compact into real, measurable local-level outcomes using AI-powered virtual worlds and spatial intelligence.

Where Policy, Standards, and Innovation Align

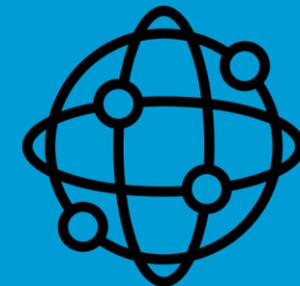

Direct engagement with ambassadors, ministers, cities, UN entities, and industry shaping guidelines, standards, and deployment pathways.

Leading Trusted Digital Futures

Showcase leadership in AI, spatial intelligence, and the citiverse across cities, infrastructure, and public services.

**Global
Digital
Compact**

What's New This Year?

Highlights of the 3rd UN Virtual Worlds Day

Programme

- Ambassadors' Roundtable
- Ministerial Fireside Chat
- High-level thematic sessions on AI, spatial intelligence, and trust
- Sponsor keynote opportunities
- Exhibition & networking sessions

Held in conjunction with:

- 2nd Citiverse Assembly – Co-organized by ITU, European Commission and OASC
- ITU-T Study Group 20 meeting – the global standardization lead on IoT, digital twins, smart sustainable cities, and the citiverse

United Nations launches global call-to-action to accelerate social progress through AI-powered virtual worlds

UN Virtual Worlds Day urges international cooperation to use emerging technologies for people-centered development

Strategic Alignment

Align your brand with the UN's digital agenda, including the Pact for the Future and the Global Digital Compact.

Influence & Access

Gain exposure among ambassadors, high-level policymakers, mayors, UN leaders and industry pioneers.

Credibility & Trust

Position your organization within a neutral, UN-convened platform shaping trusted digital futures.

Amplify Your Reach

Global Exposure

Visibility across official UN event platforms, communications, and on-site presence in Geneva.

Thought Leadership

Opportunities to contribute expertise on AI-powered virtual worlds, spatial intelligence, and the citiverse, aligned with public value and standards.

Drive Collaborative Impact

Networking & Engagement

Foster networking opportunities through dedicated coffee and lunch breaks, sparking meaningful collaborations.

Empower global youth

Your sponsorship will allow the participation of young leaders from developing countries to the forefront of key dialogues!

Shape digital futures

Your support ensures a seamless, impactful event that delivers lasting value!
