18 May 2006, 15.00 – 18.00 Room H , Montbrillant Building, ITU Headquarters, Geneva, Switzerland

Dear Sir/Madam,

In line with paragraph 108 and the Annex of the Tunis Agenda for the Information Society, it is our pleasure to invite you to a consultation on the implementation of WSIS Action Line C2 on Information and Communication Infrastructure, to be held on 18 May 2006 from 15.00 to 18.00 at the ITU Headquarters.

The purpose of the meeting is to build on the results of the informal consultation on Action Line C2 held during the World Telecommunication Development Conference (WTDC-06) in Doha (Qatar) on 9 March 2006 and to start the implementation process. The meeting will be held in English and is open to all WSIS stakeholders interested in the implementation process in the field of information and communication infrastructure. A draft annotated agenda is attached together with a registration/badge request form.

In order to prepare for the meeting, we invite you to answer an online questionnaire available at www.itu.int/wsis/implementation/c2/index.html

Yours faithfully,

Yoshio UTSUMI
