Subject: **Convening of Consultation Meeting of WSIS Action Line Moderators/Facilitators
Geneva, 24 February 2006**

Dear colleagues,

In line with para 108-109 of the Tunis Agenda for the Information Society, it is our pleasure to invite you to a consultation meeting of WSIS Action Line Moderators/Facilitators, to take place in Geneva, on 24 February 2006, in the UN Palais des Nations, Room XXI (21). The meeting will run from 10.00 – 13.00 and from 15.00 – 18.00 hours. All potential facilitators/moderators for WSIS Action Lines are invited to the meeting and other WSIS stakeholders are also welcome to participate if they so wish.

The purpose of the meeting is to strengthen synergies across the action lines and address cross-cutting issues and work towards finalizing the list of moderators/facilitators for the different WSIS Action Lines, as set out in the Annex of the *Tunis Agenda*. In addition, the consultation meeting will discuss the nature of the coordination process and the modalities and logistics of the work to be undertaken on WSIS implementation. A draft annotated agenda is attached, together with a registration/badge request form. Further information is available from the website at: www.itu.int/wsisis/implementation.

Yours faithfully,

Signed
