### **Phase Five: Fourth Physical Meeting**

**14-17 April 2014**

**ITU Headquarters, Geneva**

### **Main Outcomes by Chairman**

1. The fourth physical meeting of the Multistakeholder Preparatory Platform (MPP-WSIS+10) ([www.wsis.org/review/mpp](http://www.wsis.org/review/mpp)) was held from the 14 to the 17 April 2014, in the ITU Headquarters, as part of the fifth phase of the WSIS+10 High-Level Event Open Consultation process. The purpose of this meeting was to have a pre-agreed text for the WSIS+10 Statement on the Implementation on WSIS Outcomes WSIS, and the chapters of the WSIS+10 Vision for WSIS Beyond 2015, including the 1<sup>st</sup> reading of the Action Lines that were pending the since the MPP meeting in February.
2. The meeting was chaired by Prof. Dr. V. Minkin (Russian Federation), Chairman of the Council Working Group on WSIS and the Vice Chairs of the meeting were Egypt, Switzerland and Saudi Arabia.
3. More than 140 participants from 70 Countries participated in total in the meeting, in a remote and physical manner. All WSIS Stakeholders, that is, governments, private sector, civil society and international organizations took active part in the meeting.
4. The Director of the Development Sector, Mr Brahima Sanou, provided opening remarks. Mr Sanou highlighted that the event, which focuses on the impact of ICTs on development, will address the challenge of the WSIS overall review process, while providing a platform for multi-stakeholder coordination on the

implementation of WSIS outcomes, with the involvement of all necessary UN focal points and relevant stakeholders. He emphasized that the Event is a coordinated effort of the whole UN family and it engages all UN agencies with a WSIS mandate.

Mr Sanou reminded all participants that the WSIS+10 High Level Event as an extended version of the WSIS Forum is about implementation, and real impact of ICTs on development. Speaking about the sixth ITU World Telecommunication Development Conference, known as WTDC, which was held in Dubai from 30 March to 10 April, he informed that, the Conference, with 1313 participants from 137 countries, reaffirmed the global commitment to ICT as an enabler of sustainable development. It adopted the Dubai Action Plan of the ITU Development Sector as well as series of strategic resolutions, including on ICT infrastructure, cybersecurity and an enabling environment, areas where ITU plays the role of sole facilitator within the WSIS framework. Mr Sanou highlighted that the WTDC outcomes, which are fully aligned with the objectives of the WSIS Action Lines, will pave the way towards a series of impact oriented activities to be implemented beyond 2015.

5. The opening session benefitted from the contributions by Mr. C. Wachholz representing UNESCO and Ms. Anne Miroux representing the CSTD Secretariat. They underlined the importance of the process being an important effort leading towards the Overall Review of the implementation of the WSIS outcomes by 2015. Ms. Miroux informed the meeting on the status of the discussions taking place at the UN General Assembly regarding the modalities of the Overall Review. She underlined that for the time being there is no consensus and discussions on this subject will continue.
6. All the Action Line Facilitators including, ITU, UNESCO, UNCTAD, UNDP, UNDESA, WMO, UNEP, WHO, UPU, ITC, ILO, FAO, and UN Regional Commissions, as well as WIPO, UN Women contributed towards the development of the Action line documents in the Vision, within their respective mandates. It is important to note that all UN organizations serve as secretariat to the preparatory process, coordinated by the ITU.
7. The meeting also acknowledged the presence of colleagues from UN Agencies , both in a physical and remote manner, ensuring that the WSIS+10 preparatory process is the one-UN process and that the UN family was working together ensuring that there were no duplications of efforts and resources.
8. The meeting concluded with agreed texts for chapter A (besides Annex), B and C based on the Vice-Chair's proposals for the Statement and the proposals pending since the MPP meeting in February, for the first drafts including compilations

reflecting the comments received by WSIS Stakeholders from 7<sup>th</sup> – 21<sup>st</sup> of March. All the detailed submissions are available at <http://www.itu.int/wsis/review/mpp/pages/consolidated-texts.html> for consideration.
