Dear Sir/Madam,

I am pleased to invite you to participate in the annual meeting of Regulatory Associations that will be held in conjunction with the GSR. This meeting will take place at the Hilton Colombo Hotel, Colombo, Sri Lanka, in the afternoon of 1 October 2012, and will be organized by the International Telecommunication Union (ITU) in collaboration with the Telecommunications Regulatory Commission of Sri Lanka (TRCSL).

The Regulatory Associations meeting provides an opportunity to discuss, to exchange information and to build bridges towards better and more active cooperation between the Regulatory Associations in the various regions. The meeting will be held prior to the GSR.

The topics for discussion this year will include the future of regulators in the converged ICT sector, roaming and challenges of transnational regulation. Please find attached the provisional agenda of the meeting (annex 1).

This platform provides registered users with the opportunity to set up their appointments using their PC or smartphone, and even book a meeting room.

Interpretation will be provided based on the requests of participants. You are therefore invited to indicate on the registration form whether you require languages other than English by 15 August 2012. Based on the requests made by this deadline, and provided there is at least one request for a given language, interpretation will be provided in the requested language.
