23-24 September 2012, Bangkok, Thailand**

Dear Sir/Madam,

I am pleased to invite you to the 3<sup>rd</sup> Meeting of the Expert Group on Telecommunication/ICT Indicators (EGTI), which will take place in Bangkok, Thailand, on 23-24 September 2012.

The objective of the meeting is to examine the contributions received from members of the EGTI online discussion forum during 2012, with a view to finalizing the list of indicators and their definitions. The final outcome of the discussions will be presented to participants attending the 10th World Telecommunication/ICT Indicators Meeting (WTIM), which will take place immediately following the EGTI meeting, on 25-27 September 2012, in Bangkok, Thailand.

The main indicators that will be discussed during the EGTI meeting are those related to (1) mobile- and fixed (wired)-broadband quality of service, (2) broadband capacity, (3) Internet data traffic, (4) mobile broadband prices, and (5) investment and revenue in the telecommunication/ICT economy.

Your experience and expertise in the field of telecommunication/ICT indicators will greatly contribute to the success of this meeting. We therefore count on your presence and valuable inputs to the discussions. Please note that participation in this meeting is on a self-financing basis. Further details concerning the meeting (including agenda and logistics) will be posted on the EGTI discussion forum. Please confirm your participation, by sending an email to [indicators@itu.int](mailto:indicators@itu.int), no later than 7 September 2012.

I hope you will be able to participate in this important meeting.

Yours faithfully,
