

Shahad Albalawi

International Representation Director (CST) and the Vice-Chair of TDAG (ITU)

A dedicated leader in national and international initiatives, driving efforts to empower women and youth in the ICT and Space sectors. As International Representation Director, she has led impactful projects and partnerships. Currently serves as Vice-Chair of the ITU Telecommunication Development Advisory Group and is the first Saudi woman in an ITU leadership role. Also an active member of the advisory board of the ITU-D Network of Women.
