<[teddy.woodhouse@ofcom.org.uk](mailto:teddy.woodhouse@ofcom.org.uk)> — +44 20 7981 3300

## EMPLOYMENT

### **Ofcom (Office of Communications)**

••• *International Policy Manager – Jan 2023 - Present*

Fulfilling Ofcom's duties to represent the United Kingdom in multilateral fora, mainly at the International Telecommunication Union and Organisation for Economic Cooperation & Development, with a focus on regulatory collaboration and peer support in telecommunications. Designed and implemented Ofcom's Development Sector engagement strategy, wrote multiple case studies, negotiated internationally, built networks and alliances, and new institutional partnerships.

### **Alliance for Affordable Internet**

••• *Senior Research Manager – Sep 2021 - Nov 2022*

Coordinated a team of researchers for the Alliance's research programme and managing cross-functional relationships to publish outputs for policy change. Authored and oversaw original, widely-cited research such as the [Costs of Exclusion](#) project and [Advancing Meaningful Connectivity](#) report. Launched a new [discussion paper series](#), mentoring and cultivating new ideas and talent in the ICT4D field. Authored new edition of the [Affordability Report](#), offering a new theory for the function of Universal Service & Access Funds. Presented at the [Internet Governance Forum 2021](#). Advised on [ITU baseline for meaningful and universal connectivity](#) and [UN Broadband Commission report on smartphone affordability](#).

••• *Research Manager, Access & Affordability – Jan 2020 - Aug 2021*

Managed the Alliance's research programme, including coordinating staff and consultant teams of 30+ people, setting project budgets, and authorship of various publications. Helped define the organisation's [meaningful connectivity framework](#) with expert research to enable future policy advocacy. Incubated new research methodologies, such [device pricing](#) and its [datasets](#), and thematic areas, such as [sustainable access](#), based on an evolving sector landscape.
