

ICT for Empowering PWDs

Everyone counts

Vision and Target Groups

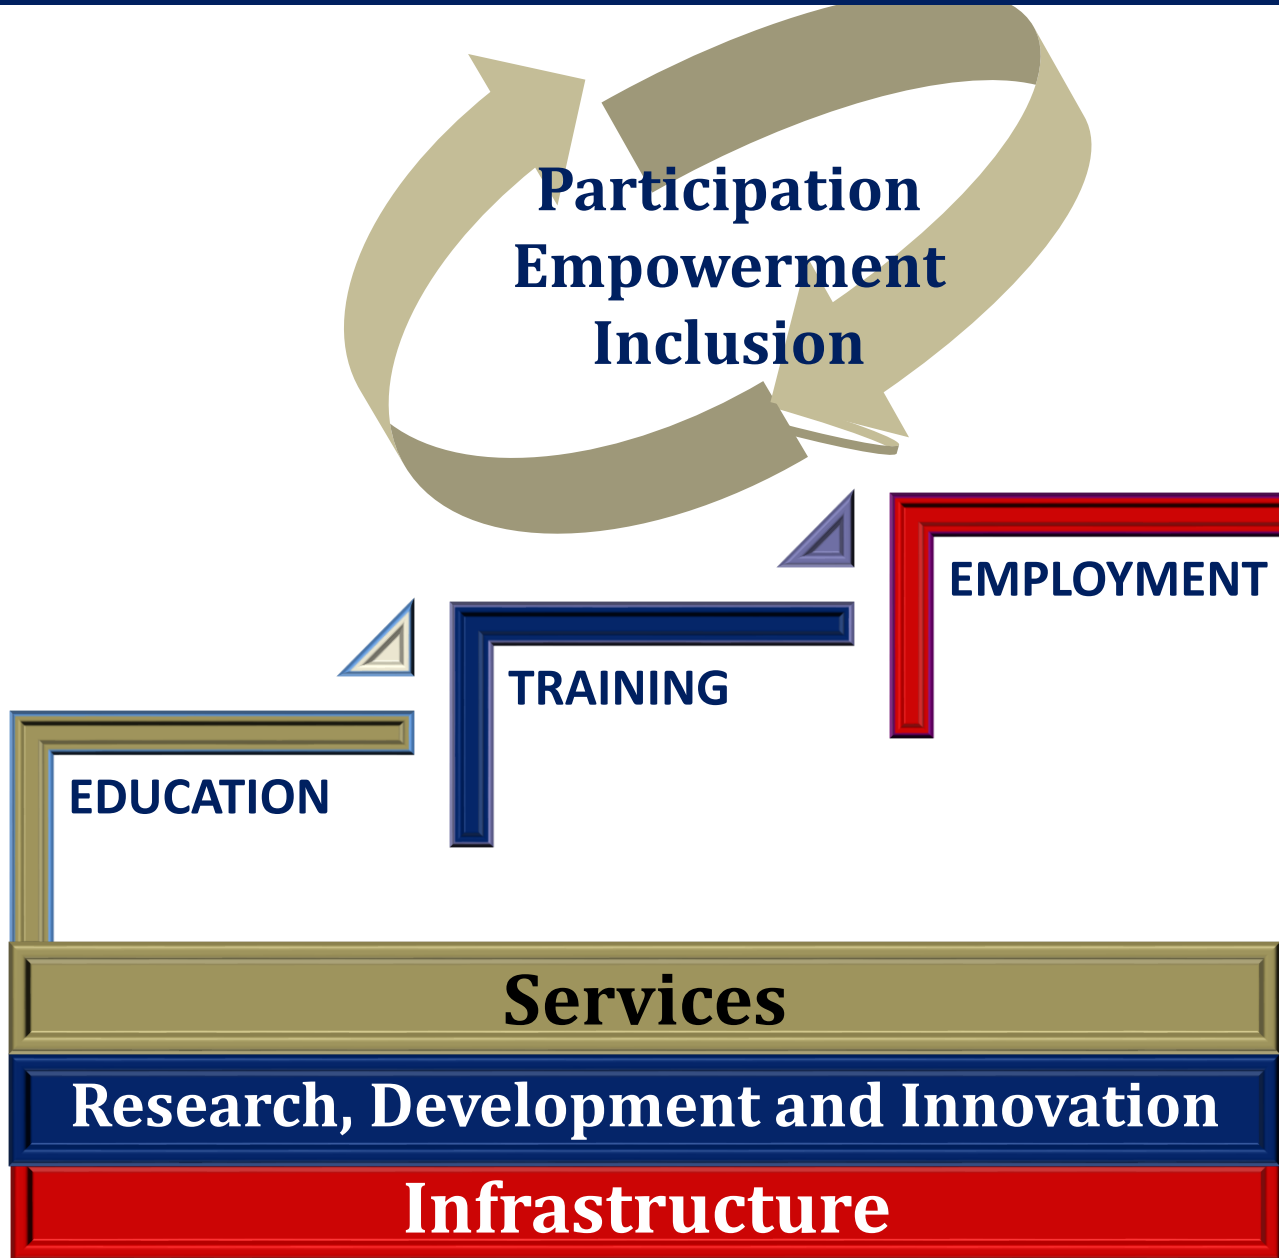

Vision

ICT for an inclusive, equitable, open and participatory knowledge society.

Mission

Utilizing ICTs to improve the quality of life for people with disabilities by providing access to information and knowledge, new employment and socialization opportunities.

Strategy framework

Developing supporting policies for ICT accessibility

Developing the ICT accessibility in cooperation with the ITU

Developing a Model policy for ICT accessibility in education in cooperation with G3ict

Provide better services and enhance services accessibility

Develop a High Accessible Portal for the Ministry of ICT

The screenshot displays the website's interface with a focus on accessibility. At the top, there is a header with the text "دمج... تمكين... مشاركة... ذوي الاعاقة" (Integration... Empowerment... Participation... People with Disabilities) and the logo of the Ministry of ICT. Below the header is a navigation menu with buttons for "الرئيسية" (Home), "أحدث الأخبار" (Latest News), "فيديو" (Video), "صور" (Images), "الصل بنا" (Contact Us), "من نحن" (About Us), "المساعدة" (Help), and "خروج" (Logout).

The main content area is titled "من نحن" (About Us) and features a "YES MO" logo. The text discusses the Ministry's commitment to accessibility, stating: "نسري أحكام هذا القانون في شأن الأشخاص ذوي الإعاقة، من أجل تعزيز وحماية ومكافحة تمسح الأشخاص ذوي الإعاقة في ظل قدم المساواة مع الآخرين بجميع حقوق الإنسان والحريات الأساسية، وتعزيز اعزازهم كرامتهم المتأصلة." (I will enforce the provisions of this law regarding people with disabilities, in order to promote and protect and combat discrimination against people with disabilities in the context of equality with others in all human and fundamental freedoms, and to promote their dignity and inherent dignity.)

Below the text, there are radio buttons for "الائق" (Correct), "لا اوافق" (I do not agree), and "مختلف" (Different).

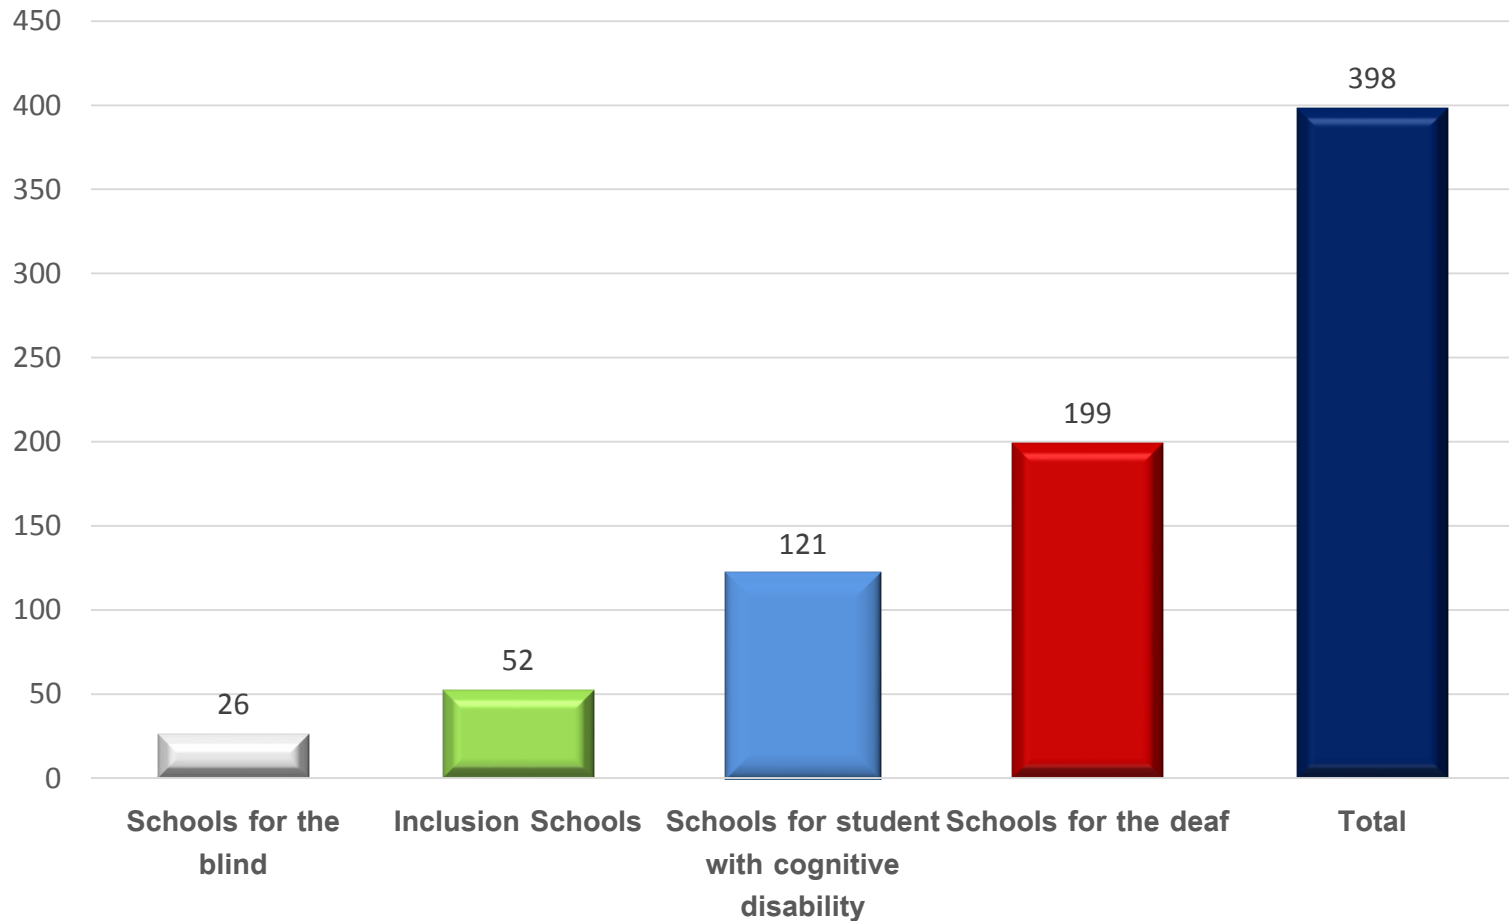

The right sidebar contains a "معلومات عامة" (General Information) section with links for "الإعاقة السمعية" (Hearing Impairment), "الإعاقة البصرية" (Visual Impairment), "الإعاقة الحركية" (Physical Impairment), "صعوبات التعلم" (Learning Difficulties), "الخدمات" (Services), "فرض التوثيق" (Mandatory Identification), and "البرامج التدريبية" (Training Programs).

The bottom section is titled "منحة ال ICDL" (ICDL Grant) and includes the text: "سجل هنا للحصول على منحة الرخصة الدولية لقيادة الحاسب ICIDL للإتصالات لذوي الإعاقة." (Register here to receive the International Certificate of Computer Driving License (ICDL) grant for people with disabilities.) and "هل تنتمي لأي كيان مجتمعي يدافع عن حقوق الأشخاص ذوي الإعاقة" (Do you belong to any community that defends the rights of people with disabilities?).
