>> GOOD AFTERNOON. GOOD MORNING OR GOOD EVENING. WELCOME TO ALL OF YOU TO THIS HIGH-LEVEL DIALOGUE SESSION ON ICTs AND INDIGENOUS LANGUAGES. MY NAME IS TAWFIK JELASSI. I'M ASSISTANT DIRECTOR GENERAL OF UNESCO IN CHARGE OF COMMUNICATION AND INFORMATION. IN ADDITION TO THE PHYSICAL PARTICIPANTS WE HAVE IN THE AFTERNOON, WE HAVE A NUMBER OF ONLINE PARTICIPANTS WHO WILL FOLLOW REMOTELY THIS SESSION. LET ME START BY MAKING OPENING **REMARKS BEFORE I GIVE THE FLOOR** TO OUR GUEST SPEAKERS. THIS EVENT THIS AFTERNOON TAKES PLACE IN THE CONTEXT OF THE INTERNATIONAL DECADE OF **INDIGENOUS LANGUAGES 2022-2032** FOR WHICH UNESCO IS THE LEAD UNITED NATIONS AGENCY. TO ORGANIZE IT IN COOPERATION OF THE UN DEPARTMENT OF ECONOMIC AND SOCIAL AFFAIRS UNDESA AND OTHER UNITED NATIONS ENTITIES. I'D LIKE TO THANK OUR PARTNERS IN SUPPORT OF MAKING THE TRACK **ON ICTs AND INDIGENOUS LANGUAGES** POSSIBLE TODAY. THE RECENT GLOBAL HACK-A-THON YOU SEE THE SUPPORT OF THE INTERNET SOCIETY ATTRACTED ALMOST 700 CODERS FROM 75 COUNTRIES. THEY DEVELOP PROJECT IN SUPPORT OF THE TRANSMISSION AND THE **PROMOTION OF INDIGENOUS** LANGUAGES. I WOULD LIKE TO CONGRATULATE THE WINNERS OF THE PRIZE FOR THEIR INNOVATIVE AND IMPACTFUL PROJECT. WE'LL HAVE AN OPPORTUNITY LATER ON TO LEARN MORE ABOUT THEIR WORK AND HAVE THE OFFICIAL AWARD GRANTING CEREMONY TOWARDS THE

END OF THIS SESSION.

YOU MAY KNOW THAT THERE ARE MORE THAN 7,000 LANGUAGES IN THE WORLD WHICH ARE SPOKEN OR SIGNED LANGUAGES. MANY OF WHICH ARE FACING THE DANGER OF EXTINCTION. THIS PUTS AT HIGH RISK THE HISTORY, KNOWLEDGE AND CULTURAL **RICHNESS ASSOCIATED WITH THESE** LANGUAGES. LANGUAGE COMMUNITIES AND ESPECIALLY INDIGENOUS PEOPLES FACE MANY CHALLENGES IN CYBER SPACE INCLUDING DIGITAL **EXCLUSION AND BARRIERS TO ACCESS** ONLINE INFORMATION. MOST DEVICES DO NOT EVEN HAVE THEIR SCRIPTS ARE NOT EVEN EQUIPPED TO SUPPORT SOME OF THESE LANGUAGES. AND MOST WEB SITES DO NOT OFFER CONTENT OR DIGITAL SERVICES IN INDIGENOUS LANGUAGES. IT IS ESSENTIAL TO RECOGNIZE THE ROLE THE INTERNET CAN PLAY IN PROMOTING MULTI-LINGUALISM, LINGUISTIC DIVERSITY AND FOSTERING PEACEFUL INCLUSIVE AND JUST SOCIETIES. THIS HAS BECOME EVIDENT IN THE **CONTEXT OF THE COVID-19** PANDEMIC. AS PART OF ITS MANDATE, UNESCO IS COMMITTED TO LINGUISTIC DIVERSITY AND MULTI-LINGUALISM. CLOSELY MONITOR THE IMPLEMENTATION OF THE UNESCO 2003 OF THE USE OF MULTI-LINGUALISM AND ACCESS TO CYBER SPACE. THIS RECOMMENDATION STRESSES THE IMPORTANCE OF WORKING TOGETHER TO ELIMINATE BARRIERS TO LINGUISTIC DIVERSITY ONLINE. **IMPROVING DEVICES, CREATING** MULTI-LINGUAL CONTENT AND MAKING THAT AVAILABLE TO ALL COMMUNITIES SO THEY CAN ALSO BUILD ICT CAPABILITIES. UNESCO ALSO PLAYS IMPORTANT ROLE IN MONITORING LANGUAGES AND THEIR USAGE WORLDWIDE. THE LANGUAGES PROVIDES DATA ON LANGUAGES AND THEIR USE. AND IN ORDER TO PRIORITIZE.

PROVIDES AN UNPRECEDENTED OPPORTUNITY WORLDWIDE TO STRENGTHEN OUR EFFORTS IN THIS FIELD.

GLOBAL ACTION PLAN WAS DEVELOPED TO GUIDE THE IMPLEMENTATION OF THIS DECADE FOR THE COMING TEN YEARS.

IT ALSO PROVIDES GUIDANCE ON DIGITAL IMPAIRMENT AND HOW WE CAN USE TECHNOLOGY FOR THE PRESERVATION, REVITALIZATION AND PROMOTION OF INDIGENOUS LANGUAGES.

I WANT TO ENCOURAGE YOU TO JOIN OUR EFFORTS AND CONTRIBUTE TO THE GLOBAL PLAN OF ACTION TAKING INTO ACCOUNT THE PLAN OF ACTION ITSELF.

WE HOPE THE LOW RATES AND SPECIAL PRIZE THAT WILL LAUNCH THIS SUMMER WITH THE SUPPORT WILL CONTRIBUTE TOWARDS INCLUSIVE DIGITAL IMPAIRMENT AND THE DEVELOPMENT OF LANGUAGE TECHNOLOGIES FINALLY, LET ME STRESS THE INTERNATIONAL DECADE IS AN AMBITIOUS ENDEAVOR TO ENSURE SUCCESS.

I WELCOME THE ENTIRE COMMUNITY TO SUPPORT US IN THE LOCALIZATION OF THE GLOBAL PLAN

OF ACTION.

I'M CONVINCED THIS DECADE WILL CATALYZE NEW PARTNERSHIPS, FACILITATE NATIONAL COOPERATION

AND STIMULATE RESEARCH

INNOVATION AND NEW DOCUMENTATION IN SUPPORT OF INDIGENOUS

LANGUAGES.

AS WELL AS HARNESSING DIGITAL INNOVATION.

THANK YOU FOR YOUR KINDA TENSION AND I LOOK FORWARD TO HEARING FROM OUR SPEAKERS AND PANELISTS THROUGHOUT THIS SESSION. BEFORE I GIVE THE FLOOR, LET ME MENTION THE INTERNET SOCIETY ISOC IS ONE OF THE MAIN CONTRIBUTORS PROVIDED FINANCIAL SUPPORT TO THE ORGANIZATION OF THE HACK-A-THON AND ESTABLISHMENT OF THE PRIZE. MS. SARAH ARMSTRONG WILL JOIN US REMOTELY. >> YES, THANK YOU SO MUCH FOR ENGAGING ME IN THIS VERY IMPORTANT CONVERSATION. I WOULD LIKE TO BEGIN BY ACKNOWLEDGING THE VERY **IMPRESSIVE WORK AND THE COMMENTS** OF UNESCO. NICE TO KNOW THERE ARE SO MANY PEOPLE WORKING AS HARD AS YOU ARE AND WE ARE IN THIS SPACE. SUCH AN IMPORTANT TOPIC. YOUR EXCELLENCIES, FELLOW PANELISTS AND ALL OF THOSE ATTENDING TODAY, I'D LIKE TO BEGIN BY SAYING THANK YOU SO MUCH FOR INCLUDING THE INTERNET SOCIETY IN THIS DIALOGUE. SUCH AN IMPORTANT ISSUE TO US AND I AM HONORED TO BE HERE TODAY. I WISH I COULD BE THERE IN PERSON. I THINK WE'RE ALL GETTING USED TO HOW WE HAVE TO SEE PEOPLE SOMETIMES REMOTELY. I'M GOING TO START BY TELLING YOU ABOUT THE INTERNET SOCIETY FOUNDATION. THE INTERNET SOCIETY WHICH WAS JUST MENTIONED IS OUR PARENT ORGANIZATION. WE ARE A SUPPORTING ORGANIZATION FOR THE INTERNET SOCIETY. WE WERE ESTABLISHED IN 2019 AND WE BEGAN REALLY GIVING GRANTS AND STARTING OUR REAL EFFORTS IN ABOUT 2020. ENGAGE IN THE INTERNET SOCIETY AND MAKE MORE PROGRESS IN THE VISION OF THE INTERNET SOCIETY. THAT IS THE INTERNET IS FOR EVERYONE. WELL, THAT CERTAINLY MATTERS WHEN YOU ARE LOOKING AT THE **RELATIONSHIP BETWEEN LANGUAGE** AND DIGITAL INCLUSION. THAT'S ALL ABOUT THE INTERNET **BEING FOR EVERYONE.** THAT'S SOMETHING TO WHICH WE DEDICATE OURSELVES EVERYDAY. SO THAT'S REALLY WHERE THE INTERNET SOCIETY FOUNDATION IS TODAY IS MAKING SURE ACCESS IS THERE. BUT WE'RE ALSO WORKING TO TACKLE

CHALLENGES AND TODAY WE'RE HERE TO TALK ABOUT REALLY IMPORTANT CHALLENGE. HOW DO WE RELATE TO THE LANGUAGE IN DIGITAL EMPOWERMENT OF **INDIGENOUS PEOPLES?** HOW DO WE MAKE A DIFFERENCE? THIS IS A CHALLENGE, IT'S A REAL CHALLENGE. GLOBALLY LANGUAGES ARE IN SERIOUS DANGER. ONE INDIGENOUS LANGUAGE DIES EVERY TWO WEEKS. AND WITHIN THOSE POPULATIONS, THERE'S A LACK OF INTERNET ACCESS OR DIGITAL CONTENT IN THEIR OWN LANGUAGES AS WAS **REPORTED.** WHILE 75% OF THE INTERNET USERS ARE BASED IN THE GLOBAL SOUTH AND COULD USE LANGUAGES. THEY ARE GETTING THE INTERNET JUST IN PLACES LIKE ENGLISH AND CHINESE. THE INTERNET IS NOT MULTI-LINGUAL ENOUGH TO REFLECT THE DIVERSITY OF HUMANITY. WE NEED SOLUTIONS TO THESE CHALLENGES. MANY OF YOU ARE WORKING ON THEM. THE OUESTION POSED TO ME WAS ABOUT RESEARCH. THE INTERNET SOCIETY FOUNDATION HAS A NUMBER OF DIFFERENT PROGRAMS. READ ABOUT ALL OF OUR PROGRAMS ON OUR WEB SITE. THE ONE I WANT TO FOCUS ON TODAY IS OUR RESEARCH PROGRAM. ONE OF THE THINGS WE DECIDED TO DO IN 2021 WAS FOCUS OUR **RESEARCH EFFORTS ON DECOLONIZING** THE INTERNET. WE MADE A CALL OUT GLOBALLY TO **RESEARCHERS BOTH INDIVIDUALS AND** ORGANIZATIONS TO SEE WHAT IT WAS THAT WE COULD DO. BECAUSE WE RECOGNIZE THAT THE LEGACY OF COLONIALISM LINGERS TODAY AND THE INTERNET IS NOT AS PROGRESSIVE AS A RESULT RIGHT NOW BECAUSE OF THE SITUATION WITH LANGUAGES. AND WE WANT TO CHANGE THAT AND SEE HOW WE CAN DO THAT BECAUSE

THAT'S HOW WE'RE GOING TO GET THE INTERNET FOR EVERYONE. WE HAVE A NUMBER OF DIFFERENT PROJECTS THAT WE HAVE FUNDED THROUGHOUT THE GLOBE, AS I MENTIONED. ONE I WANT TO GIVE AS AN EXAMPLE. SO YOU HAVE AN IDEA. THIS IS AN ORGANIZATION CALLED POLICY, POLLICY. THEY WERE PRESENTED WITH A GRANT FROM THE INTERNET SOCIETY FOUNDATION. AND NOW THEY ARE WORKING IN FOUR DIFFERENT COUNTRIES WITH THREE DIFFERENT REALLY BIG RESEARCH **OUESTIONS**. AND BY DOING THIS WORK, THEY WILL GIVE US INFORMATION UPON WHICH WE CAN WORK. ALL OF THE PROJECTS WE FUND ARE ABOUT APPLIED RESEARCH. SO THE QUESTIONS THEY ARE ASKING, HOW DO THE PREDOMINANT LANGUAGES WHICH DIGITAL PLATFORMS EXIST IMPACT THE USABILITY AND SAFETY OF PLATFORMS AND CONTENT. HOW DO PEOPLE TRUST CONTENT IN DIFFERENT LANGUAGES ON THE INTERNET. HOW IS THAT FUELING THINGS LIKE **DISINFORMATION?** AND WHAT ARE THE BARRIERS FOR USERS AND CONTENT CREATORS TO COMMUNICATE IN LOCAL LANGUAGES? SO THEY ARE LOOKING AT ALL OF THESE THINGS, ACCESS, USABILITY, SAFETY AND TRUST. ALL OF THESE THINGS SO IMPORTANT TO ALL OF US BUT CERTAINLY THE POPULATIONS STRUGGLING TO FIND CONTENT IN THEIR LANGUAGES. SO WE ARE HOPING OUR POLICY **RESEARCH AND OTHER PROGRAMS** FUNDING ARE REALLY GOING TO HELP SUPPORT LINGUISTIC ACADEMIC FIELD IN TERMS OF PRESERVING LOCAL LANGUAGES. VERY IMPORTANT PIECE IS TO MAKE SURE MORE ARE PRESERVED AND WE ALL KNOW THAT AND GUIDE TECH COMPANIES INFLUENCING HOW THEY DESIGN POLICIES AND THINKING ABOUT THIS

LANGUAGE ISSUE.

IN CLOSING, I'D LIKE TO SAY

THANK YOU. THANK YOU, YOUR EXCELLENCIES, FELLOW PANELISTS, THANK YOU FOR ALL OF YOU WHO HAVE GIVEN ME YOUR MIND ATTENTION TODAY. AND JUST WANT TO SAY ONE MORE THING.

COMMUNITIES WITH LIMITED REPRESENTATION ON THE INTERNET ARE LARGELY UNSEEN AND UNHEARD. AND THIS IS A PATTERN THAT MUST BE DISRUPTED.

SO WE ARE GOING TO CONTINUE TO SUPPORT MORE RESEARCH AND WE'LL ALL CONTINUE TO DO THE THINGS YOU DO TO DISRUPT THAT PATTERN AND FIND WAYS TO SUPPORT DIGITAL EMPOWERMENT FOR INDIGENOUS PEOPLE.

THANK YOU FOR YOUR KINDA TENSION AND I HOPE ALL OF US WILL BE WORKING TOGETHER FOR THE DECADES TO COME ON THIS VERY IMPORTANT ISSUE.

>> THANK YOU VERY MUCH FOR YOUR CONTRIBUTION.

OUR NEXT SPEAKER IS HIS

EXCELLENCY, ALEJANDRO ANTONIO SALAS ZEGARRA.

BEFORE WE LISTEN TO THE VIDEO MESSAGE, LET ME THANK HIM FOR ITS IMPORTANT ROLE IN SAFEGUARDING AND PROMOTING INDIGENOUS LANGUAGE IN LATIN AMERICAN.

CONTRIBUTED TO THE SUCCESSFUL IMPLEMENTATION INTERNATIONAL YEAR OF INDIGENOUS LANGUAGE AND CONFERENCE IN SEPTEMBER 2019. BRINGING TOGETHER A WIDE RANGE OF STAKEHOLDERS.

CONGRATULATE FOR MEMBERSHIP IN THE GLOBAL TASK FORCE.

AND ON-GOING EFFORTS TO ENSURE IMPLEMENTATION FOR THE GLOBAL PLAN OF ACTION.

SO NOW, LET'S WATCH THE VIDEO MESSAGE.

WE DON'T HAVE THE SOUND I'M AFRAID.

WE STILL DON'T HAVE THE SOUND. I'M TALKING TO THE TECHNICAL STAFF HERE THAT CAN HELP US. WE APOLOGIZE FOR THIS TECHNICAL HICCUP. WE STILL DON'T HAVE THE SOUND OF

THE VIDEO MESSAGE. I SUGGEST WE DO LAST ATTEMPT TO FIX THE SOUND ISSUE AND IF IT PERSISTS THEN PROCEED.

>> I THINK WE HAVE TO PROCEED WITH THE ROUND TABLE DISCUSSION. LET ME FIRST INTRODUCE TO SOME REMARKS.

THIS PROVIDES US WITH AN OPPORTUNITY TO ENGAGE IN THE CONSTRUCTIVE DIALOGUE AND SHARE SOME GOOD PRACTICES ON HOW LINGUISTIC DIVERSITY AND MULTI-LINGUALISM ARE BEING PROMOTED ONLINE AND DIGITAL TECHNOLOGIES.

KEY INFERENCE IS THE GLOBAL ACTION PLAN OF INTERNATIONAL DECADE WHICH INCLUDES CONSIDERATIONS AND ACTIONS RELATED TO DIGITAL EMPOWERMENT. SO I WOULD LIKE NOW TO INTRODUCE THE FIRST SPEAKER WHO IS WITH US PHYSICALLY, MR.□ ALFONSO HERNANDEZ MAYA. GENERAL COORDINATOR OF USER

POLICY IN MEXICO.

>> ALFONSO HERNANDEZ MAYA: THANK YOU, MR.
□ CHAIR.

WE ARE VERY GLAD TO BE HERE.

THANK YOU TO THE INTERNATIONAL

TELECOMMUNICATIONS UNION. THANK YOU TO UNESCO.

AND THE REPRESENTATIVE

INTERNATIONAL SOCIETY

ORGANIZATION.

AND IF EVERY TWO WEEKS THE

EXTINCTION OF A LANGUAGE OF

INDIGENOUS LANGUAGE IS GOING ON,

WE MUST WORK VERY HARD TOGETHER. THIS IS AN IMPORTANT FORUM TO

SHARE THE MAIN ACTIONS OF EACH

COUNTRY ARE COMMITTED TO DOING.

I'M GOING TO TALK ABOUT THE

PUBLIC POLICIES NEEDED TO

PROVIDE ACCESS TO USERS WHO

SPEAK AND SIGN MINORITY

LANGUAGES.

THE FEDERAL COMMUNICATIONS

INSTITUTE HIGHLIGHTS THE IMPORTANCE OF INDIGENOUS PEOPLES AND THE RIGHTS THEY HAVE ESPECIALLY THOSE ASSOCIATE WITH ACCESS TO INFORMATION TECH **KNOWLEDGE GEEZ INCLUDING BROADCASTING AND COMMUNICATION** SERVICES. IT IS IMPORTANT TO IMPLEMENT ACTIONS AT STRENGTHENING THE DEVELOPMENT, PRESERVATION AND **USE OF NATIONAL INDIGENOUS** LANGUAGES AS WELL AS PROMOTING ACCESS TO TELECOMMUNICATIONS SERVICES AND EMPOWERMENT OF INDIGENOUS PEOPLE AS IT WAS REMARKS TODAY. WE CONSIDER NECESSARY THE IMPLEMENTATION OF ACTIONS AND PUBLIC POLICIES IN PROMOTING ACCESS DIGITAL LITERACY IN DIFFERENT LANGUAGES. TO PROMOTE THE ACQUISITION OF KNOWLEDGE AND THE LANGUAGE TRANSMISSION. SUSTAINABLE DEVELOPMENT GOALS OF THE 2030 AGENDA FOR SUSTAINABLE DEVELOPMENT ADOPTED BY THE GENERAL ASSEMBLY. SPECIFICALLY WHAT ACTIONS ARE **BEING IMPLEMENTED IN THESE** REGARD. SINCE 2018, WE HAVE CARRIED OUT VARIOUS ACTIONS OF THE **OBJECTIVES OF INDIGENOUS** LANGUAGES AND RIGHT TO DESERVE AND PROMOTE LANGUAGES. THE ASPECTS OF LINGUISTIC DIVERSITY. AMONG THE ACTIONS CARRIED OUT, WE CAN HIGHLIGHT THE FOLLOWING. WORKSHOPS IN TRANSLATION INTO INDIGENOUS LANGUAGES. WE HAVE CONDUCTED THREE **TRANSLATION WORKSHOPS INTO 32** INDIGENOUS LANGUAGES IN WHICH **MORE THAN 350 INFORMATIVE** MATERIALS HAVE BEEN WORKED ON. IN TOPICS SUCH AS THE RIGHTS OF END USERS. THE TOOLS THEY HAVE DESIGNED FOR THEM AND THE ACTIONS THAT HAVE BEEN CARRIED OUT TO PROMOTE THE EXERCISE OF THE RIGHTS AND EMPOWERMENT. IN ADDITION, MATERIALS FOR

OBTAINING BROADCASTING FOR SOCIAL USE AND COMMUNITY SOCIAL USE ARE TRANSLATED ALSO. DURING THE WORKSHOP, TRANSLATORS AND INTERPRETERS OF THESE LANGUAGES WERE PROVIDED WITH THE TOOLS AND KNOWLEDGE TO CONVEY THE MESSAGES. ACCORDING TO CONTEXT AND SCOPE. CULTURALLY AND RELEVANT TRANSLATION COULD BE MADE. IT IS IMPORTANT TO KNOW THE LANGUAGES SELECTED AND THEIR TRANSLATION WAS CARRIED OUT WITH PARTICIPATION OF THE NATIONAL **INSTITUTE OF INDIGENOUS** LANGUAGES SPECIALIZE AUTHORITY IN THE FIELD AND SEVERAL CERTIFIED TRANSLATORS. LET ME SHOW YOU SOME EXAMPLES OF THE LANGUAGES TRANSLATED IN THESE WORKSHOPS. WE HAVE TRANSLATED THE MYSTIQUE, FROM THE STATE OF MEXICO, THE CENTER OF THE COUNTRY, MAYA, SAPOTECA, MAYA AMONG OTHERS. ANOTHER OF THE ACTIONS WE HAVE CARRIED OUT IS THE DELIVERY OF USE OF TELECOMMUNICATION SERVICES WITH SIMULTANEOUS TRANSLATION WHICH ADDRESSED TOPICS USER RIGHTS ACCESSIBILITY AND SECURITY IN THE DIGITAL ECO SYSTEM. FINALLY, SHOULD BE NOTED THAT IN 2018 IN THE FRAMEWORK OF THE INTERNATIONAL DAY OF INDIGENOUS PEOPLE, THE INDIGENOUS PEOPLE AND COMMUNITIES WAS PUBLISHED ON THE IFV'S WEB SITE. MATERIALS WERE AVAILABLE SUCH AS THE COVERAGE IN INDIGENOUS PEOPLE OF MEXICO WHERE THE LOCALITIES POPULATION THAT HAVE MOBILE SERVICE COVERAGE IN 2G, **3G AND 4G TECHNOLOGIES ARE** IDENTIFIED. AND OBTAINING CONCESSIONS AND INDIGENOUS USE CAN BE CONSULT THE. THESE ARE THE MAIN ACTIONS AND THANK YOU VERY MUCH FOR YOUR ATTENTION. >> MIKAELA JADE: THANK YOU SO MUCH.

IN MY CULTURE, IT'S TRADITIONAL FOR US TO DO ACKNOWLEDGEMENT OF COUNTRY. SO I WOULD LIKE TO SAY WATAMI, I SEE YOU AND I WOULD LIKE TO ACKNOWLEDGE MY ELDERS PAST AND PRESENT FOR THEIR CONTINUOUS CONNECTION TO OUR LANDS, WATERS, TO OUR SKY COUNTRY, LANGUAGE, KNOWLEDGE AND TO OUR LAW. I DESCEND FROM CARIGAL PEOPLE. I UNFORTUNATELY LOST MY TONGUE THROUGH THE PROCESS OF COLONIZATION. IT HAS MOTIVATED ME TO SERVE MY PEOPLE IN THE BEST WAY THAT I CAN SO MY CHILDREN AND THEIR CHILDREN'S CHILDREN CAN ALSO LEARN TO SPEAK OUR TONGUE. WE HAVE 80,000 YEARS OF CONTINUOUS CULTURE FOR OUR PEOPLE. AND AS A PERSON THAT GREW UP WITHOUT MY CULTURE, THERE IS NOTHING MORE DISCONNECTING FOR A PERSON TO BE DISCONNECTED FROM OUR LANGUAGE AND FROM OUR KNOWLEDGE AND FROM OUR LAW. AND THAT 80.000 YEARS OF CONTINUOUS CULTURE DOESN'T JUST HOLD WORDS, IT HOLDS OUR SCIENCE, OUR TECHNOLOGY, OUR ENGINEERING, OUR ARTS AND MATHEMATICS. IN 2012, I SAW A NEW TECHNOLOGY CALLED AUGMENTED REALITY. AND I WENT HOME AND IMAGINED A FUTURE WHERE OUR PEOPLE COULD SHARE OUR KNOWLEDGE, LANGUAGE AND LAW AT OUR SPECIAL CULTURAL PLACES IN THE FORM OF A HOLOGRAHAM. THAT COULD SHARE OUR LANGUAGE AND OUR KNOWLEDGE AND OUR LAW WITH OUR VISITORS TO OUR PLACES IN OUR LANGUAGE AND IN YOURS. BECAUSE RELYING ON GRANTS IS AN UNRELIABLE WAY FOR OUR PEOPLE TO RECONNECT WITH OUR CULTURE AND **OUR LANGUAGE. I DECIDED THE BEST** WAY WE CAN MOVE FORWARD WAS TO CREATE A SOCIAL ENTERPRISE WHERE WE GENERATE INCOME FOR OURSELVES TO CONTINUE THE WORK THAT WE DO IN SHARING OUR LANGUAGE,

KNOWLEDGE AND LAW. THE WAY WE DO THIS IS THE SUPPORT OF OUR ELDERS ACROSS AUSTRALIA AND INTERNATIONALLY THROUGH A COMPANY CALLED INDIGITAL. WE HAVE 12 STAFF WHO ARE MOSTLY INDIGENOUS AND MOSTLY WOMEN WORKING ON THIS COMPANY EVERYDAY TO WORK WITH HUNDREDS OF FIRST NATIONS PEOPLE ACROSS THE WORLD TO RECONNECT THROUGH OUR CULTURAL LANGUAGE AND LAW USING AUGMENTED MIXED AND VIRTUAL **REALITY TECHNOLOGIES.** WE ARE PREPARING OUR PEOPLE FOR WEB 3. IT IS MY BELIEF THAT WEB 2 LEFT US BEHIND. AND WE CAN'T AFFORD TO DO THAT AGAIN IN THE NEXT VERSION OF THE INTERNET. OUR WORK INVOLVES WORKING WITH ELDERS COUNCILS FROM EACH LANGUAGE GROUP AND ALLOWING THEM TO SET OWN PROTOCOLS AND LICENSING FOR THE USE OF THEIR CULTURE IN THE NEXT VERSION OF THE INTERNET. WE DO TECHNOLOGY SHOW CASES SO OUR OLD PEOPLE CAN SEE THE TECHNOLOGIES SO THEY CAN UNDERSTAND THEM. THEY CAN GIVE US THE CULTURAL AUTHORITY WITH OUR LANGUAGE AND LAW. I'M REALLY PROUD TO SEE THE GUSTO OUR ELDERS EMBRACED THIS **OPPORTUNITY WITH.** WHO GENERALLY DON'T USE COMPUTERS IN THEIR DAY-TO-DAY LIFE AND SOMETIMES WHEN THEY SEE THE COMPUTER, THEY SAY TO US THEY DON'T WANT TO GO ON THE COMPUTER. BUT WHEN WE SHOW THEM THE PROCESS OF MAKING AUGMENTED AND MIXED REALITY CONTENT THROUGH THEIR CULTURAL LENS AND THROUGH THEIR LANGUAGE. THEY EMBRACE THE **OPPORTUNITY TO EMPRESS** THEMSELVES USING HOLOGRAPHIC TECHNOLOGIES. AND I MUST SAY THE WORKS THEY CREATE ARE STUNNINGLY BEAUTIFUL.

AND SO POWERFUL THEY ARE SHARING THE OLDEST LIVING CULTURES ON THIS PLANET THROUGH THE NEWEST TECHNOLOGIES. AND ASTOUNDS PEOPLE WHEN THEY SEE THEIR WORK AT WHAT THEY ARE WILLING TO SHARE WITH NON-INDIGENOUS PEOPLE AND THEIR **EXPRESSION FOR DOING THIS** TOGETHER. WHEN WE WORK WITH OUR OLD PEOPLE, WE THEN CREATE A CURRICULUM AROUND THE STORIES AND THE LANGUAGE THEY WANT TO SHARE WITH ALL THE SCHOOLS THAT SIT ON THEIR COUNTRY. WE'VE CREATED A LEARNING MANAGEMENT SYSTEM THAT TEACHERS AND SCHOOLS CAN ACCESS AND TEACH THIS PROGRAM TO ALL THE YOUNG PEOPLE INDIGENOUS AND NON-INDIGENOUS ON THEIR COUNTRY. WE WANT TO WORK WITH NON-INDIGENOUS PEOPLE AS MUCH AS OUR INDIGENOUS YOUTH. AS A TECHNOLOGIST WHO IS FEMALE WHO IS INDIGENOUS AND WORKING IN FRONTIER TECHNOLOGIES, I CAN TELL YOU IT IS CONFRONTING TO BE THE ONLY PERSON AROUND THE TABLE. WE WANT TO PREVENT THAT BY EDUCATING IN THESE INDUSTRIES. THANK YOU. >> THANK YOU VERY MUCH. LET ME INTRODUCE OUR NEXT SPEAKER, MS. REBECCA RYAKITIMBO. SHE WILL CONNECT TO THIS SESSION REMOTELY. >> REBECCA RYAKITIMBO: THANK YOU. GOOD AFTERNOON, GOOD EVENING, GOOD MORNING, EVERYONE. FELLOW SPEAKERS, PARTICIPANTS, YOUR EXCELLENCIES. THANK YOU VERY MUCH. I'M EXCITED TO BE ABLE TO PARTICIPATE IN THIS HIGH-LEVEL POLICY SESSION TO SPEAK ON INDIGENOUS LANGUAGES AND TECHNOLOGY. A TOPIC I'M PASSIONATE ABOUT. AND THAT IS DEAR TO ME ESPECIALLY AS A PERSON WHO SPEAKS LANGUAGE WHEN IT COMES TO

THE TECH SPACE AND WISHING TO MAKE SURE WE COME UP WITH SOLUTIONS ABLE TO PUSH AN ISSUE THAT SOME OF THE LANGUAGES WE SPEAK INDIGENOUS LANGUAGES ARE REPRESENTED IN SPACE OF TECHNOLOGY AND ABLE TO PUSH FOR THEM TO BE ADAPTED AND RECOGNIZE AS PART OF THE LANGUAGES THAT ARE SPOKEN FOR DIFFERENT COMMUNITIES THAT EXIST WITHIN THE SOCIETIES. I WAS ASKED TO SPEAK ABOUT TWO

SPECIFIC QUESTIONS AND I'M GOING TO ADDRESS SOME OF THOSE QUESTIONS THEY WERE POSED TO MY END.

ONE OF THEM WAS TO SPEAK ABOUT THE PROMOTION OF DIGITAL RIGHTS OF INDIGENOUS WOMEN AND THE MISSION BEHIND ESPECIALLY FOR THE WORK I DO CAN KIRSTEN. WORKS TOWARDS PROMOTING DIGITAL INNOVATION PUSHING FOR PARTICIPATION OF DIFFERENT GROUPS, ICTs AND STEM IN GENERAL.

AND PART OF THE WORK THAT HAS BEEN DONE HAS BEEN GLOBAL GOVERNANCE WHOSE GOAL HAS BEEN WE PUSH FOR INCLUSION FOR WOMEN TO HAVE A SIT WHERE PEOPLE DISCUSS ABOUT GOVERNANCE AND HAVING THEM HAVE A VOICE TO BE ABLE TO REPRESENT THEIR NEEDS, THEIR CONCERNS AND HAVE THAT AS A SPACE WHERE THEY CAN LEARN. SO TO BE ABLE TO BE PART OF THE PROCESS.

BY THE SAME TIME WITH SKILLS THAT ARE NECESSARY TO ENABLE THEM TO BE PART OF THE TABLE IN DECISION MAKING.

OVER THE LAST FIVE YEARS, WE'VE BEEN ABLE TO REACH 250 WOMEN AND EQUIP THEM WITH DIFFERENT SKILLS.

BACK TO BE ABLE TO DO THIS WORK REALLY CAME FROM AN EXPERIENCE. WHEN I WAS DOING A TECHNOLOGY CAUSE -- THAT PUSHED ME TO ENSURE I FELT TO HAVE THE NEED FOR WOMEN TO PARTICIPATE AND BE PART OF THE ROOM WHERE MOST OF THE WOMEN ARE LEFT BEHIND. AT THE SAME TIME, TO PUSH TO ENSURE WE HAVE A SEAT AT THE TABLE WHEN IT COMES TO DOING TECHNOLOGIES AND ARE NOT LEFT BEHIND. PART OF THAT HAS BEEN MUCH OF THE PROCESS OF MAKING SURE WE HAVE DIFFERENT WOMEN PARTICIPATE IN THE PROCESS OF LOCALIZATION. LANGUAGE IS A KEY BARRIER FOR PEOPLE TO PARTICIPATE IN TECHNOLOGY MAKING. AND OFTEN IN AFRICA, WE ARE VERY GOOD AT IMPORTING TECHNOLOGIES AND CREATE OUR OWN TECH KNOWLEDGE GEEZ. WE DO NOT HAVE ENOUGH **REPRESENTATION OF OUR LANGUAGES** IN THE TECH SPACE. WE'RE NOT ABLE TO FULLY UTILIZE OR DEVELOP OUR OWN SOLUTIONS. THAT PUSHES OR MOTIVATES THIS WORK THAT FAVORS WOMEN AND DIFFERENT LANGUAGES. AND OVER THE YEARS, BEEN ABLE TO LOCALIZE DIFFERENT TOOLS THAT HAVE BEEN HELPFUL DURING THE LAST ELECTION. THAT PROCESS FOR WOMEN WHO PARTICIPATED AND LOCALIZE THAT TOOL OF THE LANGUAGE USEFUL FOR PEOPLE TRYING TO FIND WAYS TO AND MAKE -- AND HAVE IT IN THE LANGUAGE WHICH WAS HELPFUL. APART FROM THAT WORK WHICH IS VERY GREAT AND HELPS TO PUSH FOR INCLUSION. KEY AIM IS TO PUSH FOR VOICE TECHNOLOGY ADAPTATION FOR LOW **RESOURCE LANGUAGES.** LOOKING AT SOME OF THE AFRICAN LANGUAGES THAT ARE NOT **REPRESENTED, PUSHED FOR** ADAPTATION INTO HAVING VOICE TECHNOLOGY SOLUTIONS. THROUGH THAT PROCESS, HAS BEEN USED TO PROVIDE LOCALS WITH INFORMATION AND IN VOICE ON **COVID-19 DURING A CRUCIAL TIME** WHEN THE PANDEMIC HIT AND PEOPLE NEEDED TO BE ABLE TO HAVE ACCESS TO INFORMATION AROUND VACCINES AND DIFFERENT THINGS THAT ARE HAPPENING AROUND THE WORLD. THIS WAS A VERY INSTRUMENT TRUTH

TO PUSH FOR THAT. IN THE CURRENT PROJECT THAT --HAS OVER 200 MILLION SPEAKERS DISTRIBUTED. WE HAVE SPEAKERS FROM KENYA AND SPEAK SWAHILI. SO THIS LANGUAGE HAS GROWN WIDELY AND USED AS A TRADE LANGUAGE. **RECOGNIZED AS ONE OF THE** LANGUAGES THAT IS USED AT STATIC LEVEL AND COMMUNITY LEVEL AND RECENTLY LAST YEAR RECOGNIZED BY UNESCO AS A LANGUAGE THAT SHOULD BE CELEBRATED. SO HAPPY THIS YEAR WILL BE THE WORLD SWAHILI DAY AND -- AS A UNIFYING FACTOR. THROUGH THIS WORK, SOME OF THE **KEY THINGS VERY IMPORTANT IS HOW** TO PUSH FOR DIVERSITY AND INCLUSION. PART OF THE WORK THAT HAS BEEN INVOLVED IS THE PLATFORM PROVIDES FOR THE ABILITY TO HAVE DATA. WHEN I TALK ON THAT, MOST OF THE PEOPLE WORK ON SOLUTIONS, WE ARE NOT AWARE ON THE DIVERSITY IN TERMS OF GENED ATO TRADE THEIR MODELS. FOR THIS CASE, COMMUNITIES CAN BE ABLE TO CONTRIBUTE. IT MAKES IT POSSIBLE FOR YOU TO SELF IDENTIFY THE GENDER YOU ARE FROM AND GIVES YOU THE ABILITY TO BE ANONYMOUS. WHATEVER WOULD MAKE YOU FEEL MORE COMFORTABLE. WE HAVE DEVELOPED ACTION PLAN TO GUIDE. AND THAT PLAN HELPS TO IDENTIFY HOW WE HELP THESE 200 MILLION SPEAKERS WITH DIFFERENT DIVERSITIES BECAUSE THERE IS A LOT OF VIOLENCE. HAS A LOT OF VARIANCES WHEN IT COMES TO INFLUENCES IN FRENCH AND OTHER LOCAL LANGUAGES. SO THESE DIFFERENCES AND THEN CAPTURING THAT AND MAKING SURE THAT WHATEVER VOICE TECHNOLOGY SOLUTION WOKE VIEWED IS ABLE TO REPRESENT THAT DIVERSITY. AT THE SAME TIME, OFTEN AS I

SAID IN THE BEGINNING, I KNOW PEOPLE WILL SAY WE USE SIRI AND ALEXA. BUT THAT DOES NOT SPEAK OUT IN TERMS OF THE ESSENCE ITSELF. THEN IT IS REPRESENTATIVE AND ABLE TO MEET THE NEEDS OF THE FEMALE USERS. FOR THE AGENDA ACTION PLAN THE COMMON VOICE PROJECT USES, IT IS TRYING TO PUSH TO MAKE SURE APART FROM HAVING THE DATA, WE'RE ALSO ENSURING THAT WOMEN CAN BE ABLE TO PARTICIPATE. HOW? MAKING SURE WE HAVE COMMUNITIES ABLE TO PUSH FORWARD. HAVING ROUND TABLE DISCUSSIONS WITH THEM AND THE NEEDS THEY HAVE VARIED AND HOW WE CAN MAKE SURE THAT IS REPRESENTATIVE. AT THE SAME TIME, PUSHING TO MAKE SURE THAT EVEN THE TEAMS THAT WORK, FOR EXAMPLE, WE ROLLED OUT, WE INSURED WE HAD AS MUCH INFORMATION TO CONTRIBUTE TOWARDS THAT WORK. AT THE SAME TIME, TO ENSURE EVEN THE PEOPLE WHO COULD CREATE SOLUTIONS OUT OF THIS CAN BE ABLE TO MAKE USE OF THE FACT THIS DATA IS DIVERSE. AND RESPONSIVE TO THE NEEDS OF THE DIFFERENT GENDERS. MORE IMPORTANTLY, WHEN WE TALK OF LANGUAGES AND VOICE TECHNOLOGY, LANGUAGE GOES BEYOND TOOL OF COMMUNICATION. AND WE NEED TO PROVIDE THAT ROOM FOR THE DIFFERENT PEOPLE THAT MAKE USE OF TECHNOLOGY AND DIFFERENT PLATFORMS. TO FIND THE IDENTITY AND FIND THE REPRESENTATION TO PARTICIPATE IN THE DIFFERENT SPACES AND THE OPPORTUNITIES THAT ARE THERE. WE DO KNOW THAT TECHNOLOGY IS DIVERSIFYING AND MAKING SURE THAT IT'S CENTRALIZING **OPPORTUNITIES.** IF WE DO NOT HAVE THAT **REPRESENTATION OF LANGUAGES OR** GENDERS. WE'RE LEAVING DIFFERENT **GROUPS FEELING ISOLATED,**

WITHDRAWN AND USING THESE KINDS OF PLATFORMS. THE KEY AIM FOR THIS PROJECT, I'M THANKFUL THAT SINCE THE INCEPTION, WE'VE BEEN ABLE TO LAUNCH THE WOMEN IN VOICE AFRICA CHAPTER THAT HAS DIVERSE GROUP OF AFRICAN WOMEN PUSHING FOR AFRICAN LANGUAGES. DIFFERENT GROUPS IN TERMS OF THE VARIOUS SPOKE ABOUT. DIVERSITY IN TERMS OF THE LANGUAGES ARE REPRESENTED. AND I'M HAPPY TO SAY WITHIN THIS PLATFORM THAT WE'LL BE ROLLING OUT GENDER BEST PRACTICES. SO I HOPE WE CAN ALL BE ON THE LOOK OUT TO SEE HOW WE CAN PARTICIPATE AND VOICE TECHNOLOGY. AND THE DIFFERENT DIVERSITIES IN OUR COMMUNITIES AND THIS GOES BEYOND LOOK AT BINARY AND LANGUAGES AS THE OVERALL AND DIVERSITIES THAT EXIST WITHIN THE LANGUAGE ITSELF. AND BE ABLE TO PUSH FOR SOMETHING YOU'LL BE ABLE TO ENABLE TECHNOLOGY TO BE WIDELY USED. THAT WILL BE A HUGE STEP TOWARDS ACHIEVING STGs BUT THAT GOAL ENSURING WE ARE EQUAL, REPRESENTATIVE AND INCLUSIVE IN WHATEVER WE'RE DOING. THANK YOU SO MUCH. >> THANK YOU VERY MUCH FOR YOUR SUBSTANTIVE CONTRIBUTION. I WOULD LIKE NOW TO INTRODUCE OUR NEXT SPEAKER. DR. VALTS ERNSTREITS. DIRECTOR OF THE INSTITUTE OF THE **UNIVERSITY -- HE WILL** PARTICIPATE REMOTELY. >> VALTS ERNSTREITS: THE YEAR 2022 MARKS THE BEGINNING OF THE INTERNATIONAL DECADE OF INDIGENOUS LANGUAGES. IT HAS TWO MAIN GOALS TO ACHIEVE. ONE IS TO MAKE SOCIETY AT LARGE AND INDIGENOUS PEOPLE THEMSELVES ACKNOWLEDGE AND VALUE LANGUAGES TO UNDERSTAND LINGUISTIC DIVERSITIES IMPORTANT FOR HUMAN

KIND AS DIVERSITIES IN NATURE. THE SECOND GOAL IS TO MAKE SURE THE FOUR INDIGENOUS LANGUAGES OF THE WORLD GET AS MANY OF THE SAME OPPORTUNITIES AS OTHERS TO ENSURE SUSTAINABILITY AND MAKE THE LANGUAGES PART OF OUR PAST BUT ALSO FOR OUR FUTURE. STARTED WITH A BROAD SET OF EFFORT. THE NEW LAW OF HISTORICAL LANDS HAS BEEN INTRODUCED AND SUPPORT FINDING LANGUAGE DOMAINS. THE PROGRAM OF LEARNING MATERIALS ARE BEING DEVELOPED FOR ACQUISITION AND ENSURING TRANSFER. MOST IMPORTANT OF ALL IS THE DEVELOPMENT OF NEW PLATFORMS CONTAINING DIGITAL LANGUAGE **RESOURCES HELP TO MAKE** ACCESSIBLE FOR WIDE RANGE OF USERS FROM THE RESEARCHERS MOST IMPORTANTLY THE ONE IN COMMUNITY. IT IS ESPECIALLY SIGNIFICANT AS THE COMMUNITY HAS LOST ITS HISTORICAL AREAS AND HAS BEEN LIVING IN EXILE FOR THE PAST 70 YEARS. HELP TO BRING THE COMMUNITY BACK TOGETHER, CREATE NEW DOMAINS AND REINTRODUCE IT TO EVERYDAY USE. THESE ARE THE SAME REASONS DIGITAL TECHNOLOGIES AND **RESOURCES ARE EXTREMELY IMPORTANT FOR ANY INDIGENOUS** LANGUAGE. THEY ARE INVOLVED IN COMPETITION OF THE MAJOR LANGUAGES OF THE WORLD. IT MUST TRY TO ACQUIRE DOMAINS TO ENSURE SUSTAINABILITY AND DIGITAL SOLUTIONS CAN ENABLE THAT. ALSO MUST SEEK ANSWERS TO THE CHALLENGES OF THE MOBILE WORLD. IN MY OPINION, TWO CRUCIAL RULES OF TECHNOLOGY NEEDED BY INDIGENOUS LANGUAGES. OUR TECHNOLOGIES AND RESOURCES FOR LANGUAGE DOCUMENTATION AND

MAKING THE RESULT AVAILABLE TO EVERY MEMBER OF THE INDIGENOUS

COMMUNITY.

SECOND ARE TECHNOLOGIES AND RESOURCES AND MOST IMPORTANTLY THE USE OF INDIGENOUS LANGUAGES. SOME MAY SAY MANY CURRENTLY DON'T HAVE PROPER ACCESS TO THE INTERNET BUT IT'S A QUESTION OF TIME.

HELP TO BE PREPARED TO COMPETE FOR THE FUTURE OF BATTLEGROUNDS. ALSO NEED TO EXPLOIT FULLY THE OPPORTUNITIES THEY CAN PROVIDE FOR SAFEGUARDING AND BRINGING INDIGENOUS LANGUAGES TO THE FUTURE WORLD.

ALSO ENCOURAGE COMPANIES TO REMEMBER THAT THE CUSTOMERS AND USERS MAY BE SPEAKING ONE OF THE 7,000 WORLD'S LANGUAGES AND SURELY WOULD ENJOY BEING ABLE TO USE THOSE PRODUCTS AND TECHNOLOGIES IN THE LANGUAGE OF THEIR OWN.

THANK YOU.

>> THANK YOU VERY MUCH.

WE ARE NOW GOING TO SHOW THE

VIDEOTAPE MESSAGE OF

MR.
alejandro antonio salas Zegarra which we couldn't watch Earlier.

>> H.E. ALEJANDRO ANTONIO SALAS ZEGARRA: [] ENGLISH CAPTIONS ON SCREEN]].

>> THANK YOU, MINISTER SALAS. AND I WOULD LIKE TO THANK ALL THE SPEAKERS WHO CONTRIBUTED TO THIS HIGH LEVEL ROUND TABLE DISCUSSION.

I WOULD LIKE ALSO TO WELCOME SECRETARY GENERAL HOULIN ZHAO WHICH IS THE HACK-A-THON PRIZE AWARD CEREMONY.

LET ME GIVE YOU SOME INFORMATION ABOUT THIS.

IT'S A JOINT INITIATIVE

ORGANIZED BY ATU AND SUPPORTED

BY ISOC CORPORATION. REPRESENTS GOOD EXAMPLE BETWEEN

YOU AND ORGANIZATIONS AND PUBLIC PRIVATE ORGANIZATIONS TO ADVANCE

DIGITAL INCLUSION IN THE

FRAMEWORK OF THE INTERNATIONAL

DECADE OF INDIGENOUS LANGUAGES.

LET ME ANNOUNCE THE WINNERS OF THE 2022 HACK-A-THON PRIZE

AWARD.

IN THE CHALLENGE KNOWLEDGE, THE WINNING TEAM IS BEST TEAM FROM AUSTRIA. IN THE CHALLENGE EMPOWERMENT, THE WINNER IS TECH FOR GOOD FROM NIGERIA. AND IN THE CHALLENGE PRESERVATION, THE WINNING TEAM IS ADITIA. FROM INDIA. I WOULD LIKE TO CONGRATULATE THE WINNING TEAMS. THIS INITIATIVE WAS LAUNCHED THIS PAST FEBRUARY 21ST ON THE OCCASION OF THE MOTHER LANGUAGE DAY. IT AIMS TO PROMOTE LANGUAGES AND COLLABORATION INCLUDING COLLABORATION INTERNATIONALLY AND HAVE EXPERTS AND MODERATORS INVOLVED IN COACHING AND TUTORING TEAMS. WE'VE RECEIVED 700 SUBMISSIONS FROM 78 COUNTRIES. THE 15 FINALIST TEAMS WERE SELECTED AND THEIR SOLUTIONS FURTHER ASSESSED BY INDEPENDENT INTERNATIONAL JURY COMPOSED OF PROMINENT EXPERTS IN THE FIELDS OF INDIGENOUS LANGUAGE AND LANGUAGE TECHNOLOGY DEVELOPMENT AND WE WILL SEE IN A MINUTE SYNOPSIS OF WHAT EACH WINNING TEAM HAS DONE. AT THIS STAGE, I WOULD LIKE TO SHOW YOU SHORT VIDEO OUTLINING THE BACKGROUND TO THIS INITIATIVE AND OBJECTIVES. >> THERE ARE MORE THAN 7,000 LANGUAGES USED IN THE WORLD TODAY. MANY OF THEM ARE IN DANGER OF FALLING INTO DISUSE. NO SUCH LANGUAGES ARE INDIGENOUS LANGUAGES. PART OF THE WSIS FORUM 2022 SPECIAL TRACK, WSIS, ITU AND UNESCO IN COLLABORATION WITH SPONSORS ISOC, NOKIA LAUNCHED THE ICTs FOR INDIGENOUS LANGUAGES HACK-A-THON. CONTRIBUTE TO THE INTER GENERATIONAL TRANSMISSION, PRESERVATION, REVITALIZATION AND **PROMOTION OF INDIGENOUS**

LANGUAGES. THE EVENT KICKED OFF ON 18TH OF APRIL AND DEVELOPERS FROM ACROSS **78 COUNTRIES PARTICIPATED AND** BUILT SOLUTIONS IN THREE KEY CHALLENGE AREAS. KNOWLEDGE, EMPOWERMENT AND PRESERVATION. THESE DOMAINS ARE ALIGNED WITH THE GLOBAL ACTION PLAN WHICH DEFINES STRATEGIC FRAMEWORK OUTLINING MAJOR ACTIONS AND **GUIDELINES ON IMPLEMENTATION,** MONITORING AND EVALUATION OF **ACTIVITIES FOR UN SYSTEM** ENTITIES, NATIONAL GOVERNMENTS, **INDIGENOUS PEOPLE'S** ORGANIZATIONS, CIVIL SOCIETY, ACADEMIA. DEVELOPERS WERE SUPPORTED WITH MENTORING SECTIONS. EACH SESSION OFFERED GUIDANCE AND BREAKOUT ROOMS. ON THE SUBMISSION DEADLINE, THE FINALIST SUBMITTED PROTOTYPE TO THE JUDGES. THEY WERE THEN LEFT WITH DIFFICULT JOB OF DEFINING THE VERY BEST IDEA FROM THOUGHTFULLY BUILT SOLUTIONS. THE JUDGES ANNOUNCED ONE WINNER FROM EACH WINNER AND EACH WINNER RECEIVED \$1,000 AND 6 MONTH MENTOR SHIP OPPORTUNITY WITH NOKIA TO PREPARE THEIR CONCEPT. LOOKING BACK, THE WSIS FORUM IN PARTNERSHIP WITH ITU, UNESCO, NOKIA CREATED AN OPPORTUNITY FOR DEVELOPERS ALL OVER THE WORLD TO BUILD VALUABLE SOLUTIONS TO KEEP INDIGENOUS LANGUAGES ALIVE AND PAVED THE WAY TOWARDS A MORE **INCLUSIVE WORLD WHERE LANGUAGES** TO INCLUSION AND SOCIETY. >> I WOULD LIKE NOW TO GIVE THE FLOOR TO ONE MEMBER OF OUR INTERNATIONAL JURY, HOLLY HELTON-ANISHINAABEOWA FROM WISCONSIN USA WHO WILL TELL US BRIEFLY ABOUT THE WORK. >> HOLLY HELTON-ANISHINAABEQWA: GOOD DAY AND GOOD MORNING. AFTERNOON AND EVENING DEPENDING ON YOUR TIME ZONE. I WOULD LIKE TO SAY

CONGRATULATIONS TO ALL THE WINNERS AND TO THANK ALL THE PARTICIPANTS WHO ENTERED THIS YEAR. EVERYONE DID A WONDERFUL JOB. I ALSO WANT TO THANK UNESCO AND ALL THE OTHER SPONSORS AND BACKERS FOR THIS EVENT. I BELIEVE IT'S A VERY IMPORTANT TO HAVE INDIGENOUS LANGUAGES IN THE INTERNET. THE JUDGES FOR THE THREE CATEGORIES ALSO HAD A VERY TOUGH JOB BECAUSE ALL OF THE ENTRIES WERE VERY WELL THOUGHT OUT. THE PROGRAMMING WAS VERY EXPERTISE. I JUST WANT TO SAY THE WINNERS ARE VERY MUCH APPRECIATED FOR THEIR WORK AND EVERYTHING THEY HAVE DONE TO ADVANCE INDIGENOUS LANGUAGES ONLINE. AND I WANT TO MAKE SURE THAT EVERYBODY KNOWS THAT INDIGENOUS LANGUAGES ARE SO IMPORTANT FOR ONLINE AND IN THE INTERNET. AND I WOULD LIKE TO THANK OUR WINNERS FOR THEIR PROJECTS. AND ALSO TO THE OTHER JUDGES WHO SUPPLIED THEIR TIME AND EXPERTISE AND KNOWLEDGE IN HELPING TO SUPPORT THE PARTICIPANTS AND MAKE THIS THE BEST ONE FOR THIS YEAR. AND I HOPE TO SEE FUTURE PARTICIPANTS IN FUTURE HACK-A-THONS. THANK YOU. >> THANK YOU VERY MUCH. THE LAST SPEAKER IS MR. □ BADRAN. THE FLOOR IS YOURS. >> THANK YOU, MR.
CHAIR. EXCELLENCY AND ESTEEMED COLLEAGUES. MANY THANKS FOR ORGANIZING THIS EXCELLENT PANEL. THE SOCIETY IS A GLOBAL NON-PROFIT ORGANIZATION THAT PROMOTES THE DEVELOPMENT OF INTERNET AS GLOBAL INFRASTRUCTURE. **RESOURCE TO ENRICH PEOPLE'S** LIVES AND FORCE FOR GOOD IN SOCIETY. PLEASED TO SPONSOR THIS YEAR AND

WE LOOK FORWARD TO HEAR FROM THE WINNERS OF THE KNOWLEDGE **EMPOWERMENT AND PRESERVATION** CHALLENGES. AND HOW THESE INNOVATIONS THE WINNING TEAMS HAVE COME UP WITH CAN HELP IN THE PRESERVATION OF INDIGENOUS LANGUAGES AND CULTURES. ONE OF OUR KEY PRIORITIES IS TO CONNECT THE UNCONNECTED GLOBALLY INCLUDING CONNECTING INDIGENOUS COMMUNITIES. THE STRONG AND DIRECT **RELATIONSHIP BETWEEN** CONNECTIVITY OF A COMMUNITY AND **ONLINE CONTENT IN INDIGENOUS** LANGUAGES AS WELL AS THE AVAILABILITY OF DATA SERVICES AND TOOLS THAT PARTICULARLY BE DEVELOPED BY MEMBERS OF INDIGENOUS COMMUNITIES. WE HAVE EXAMPLES WORKING WITH INDIGENOUS COMMUNITIES GLOBALLY IN HELPING THEM GET ACCESS TO THE INTERNET AND ALLOWS THEM TO HAVE ACCESS TO DIGITAL SERVICES RELATED TO HEALTH, EDUCATION FOR THE TREATMENT AND PROMOTION OF LOCALLY DEVELOPED SMALL AND MEDIUM BUSINESSES SERVICES GEARED TO THE NEEDS AND ASPIRATIONS OF INDIGENOUS COMMUNITIES. AN EXAMPLE THAT I CAN SHARE IS OUR WORK WITH THE COMMUNITY IN HAWAII ON THE MAIN ISLAND. IN 2019, WE HAD AN INTENSIVE KNOWLEDGE SHARING AND CAPACITY **BUILDING SESSION OVER THE PERIOD** OF TWO MONTHS FINALIZED BY THE DEPLOYMENT OF COMMUNITY NETWORK AND INFRASTRUCTURE. THIS ALLOWED THE COMMUNITY NOT ONLY TO GET ACCESS BUT MEMBERS OF THE COMMUNITY TO DEVELOP TOOLS THAT REALLY CAN PROMOTE THE LANGUAGES, CULTURES AND **IDENTITY AND PROMOTE THE** DEVELOPMENT. INCLUDING TRANSLATION SERVICES, OTHER FINANCIAL SERVICES THAT THE COMMUNITY ITSELF HAS INNOVATED AND BUILDING. AT THE SAME TIME, WE SEE SUCH

ENGAGEMENTS WITH INDIGENOUS COMMUNITIES ARE QUITE IMPORTANT TO PROMOTE CULTURES AND PRESERVE IDENTITY AND SOVEREIGNTY. IN THE SAME SESSION IN HAWAII 2019, WE HAD INTENSIVE TRAINING AT THE UNIVERSITY OF HAWAII COLLEGE OF HAWAIIAN LANGUAGES. OPENED EACH SESSION EVERY MORNING WITH PRAYERS IN THE LOCAL LANGUAGES. WHICH HELPED TO SHARE THIS AND APPRECIATE THE DEPTH OF CULTURE AND KNOWLEDGE IN THE HAWAIIAN COMMUNITY. CURRENTLY, EFFORTS ARE UNDER WAY BUILDING CAPACITY AND KNOWLEDGE IN INDIGENOUS COMMUNITIES AND CANADA IN NORTHERN ONTARIO WHERE THESE COMMUNITIES HAVE BEEN SUFFERING FROM LACK OF RELIABLE CONNECTIVITY AND HAS BECOME **OBVIOUS WITH THE COVID PANDEMIC.** SUCH EFFORT HELPED PROMOTE BRIDGE THE DIGITAL DIVIDE AND HELP PROMOTE AND PRESERVE THE LOCAL INDIGENOUS CULTURE INCLUDING LANGUAGES AND ECONOMIC DEVELOPMENT AND CULTURE PRESERVATION. FINALLY, WE LOOK FORWARD TO GET TO HEAR FROM THE WINNERS OF THE CHALLENGES OF THIS TIMELY HACK-A THON. AND INTERESTING TO SEE HOW THESE CAN HELP IN LANGUAGES AND CULTURES. THANK YOU SO MUCH FOR THE OPPORTUNITY TO PARTICIPATE. >> THANK YOU VERY MUCH. WE ARE GOING TO SHOW YOU A VERY SHORT VIDEO OF ONE MINUTE EACH **BEFORE I GIVE THE FLOOR TO** SECRETARY GENERAL AND PROCEED WITH AWARD GRANTING. LET'S WATCH THE VERY BRIEF VIDEO TO GIVE AN IDEA ABOUT WHAT THESE THREE TEAMS HAVE DONE THAT WARRANTS THEM WINNING THE AWARDS. >> YES WE ARE BEST TEAM AND HONORED TO RECEIVE THIS PRIZE. WE WANT TO THANK ALL OF YOU WHO MADE THIS POSSIBLE. DURING THE LAST YEAR, WE SAW HOW

IT'S SHAPING OUR FUTURE. SO THE APPLICATIONS AND CONTENT ARE PRODUCED IN WELL-SUPPORTED LANGUAGES LIKE ENGLISH AND COMMUNITIES ARE FORCED TO BROWSE. >> TODAY I'M GOING TO GIVE YOU A **OUICK TALK OF THIS PROJECT NAMED** INDIAN INDIGENOUS LANGUAGE ONLINE DATABASE. FIRST, WE ARE GOING TO START WITH MALYALAM-HINDI-ENGLISH. IT'S SPOKE BY THE MALAYALI PEOPLE. IT IS ONE OF THE 22 SCHEDULED LANGUAGES. AS YOU CAN SEE, WE START WITH ENGLISH, THEN WE GET THE HINDI TRANSLATION OF THAT WORD AND THEN THE TRANSLATION OF THE **RESPECTIVE WORD.** SECOND IS ANGAMI-HINDI-ENGLISH. IT'S ANOTHER LANGUAGE SPOKEN IN NORTHERN EASTERN PART OF INDIA. SIMILARLY, AS THE PREVIOUS ONE, WE WILL START WITH ENGLISH WORD AND THEN WE GET THE HINDI TRANSLATION OF THAT RESPECTIVE WORD AND CHANGE IT INTO ANGAMI. THE NEXT IS APATANI-HINDI-ENGLISH. IT IS A TANI LANGUAGE SPOKEN IN INDIA. THIS IS ALSO THE **APATANI-HINDI-ENGLISH PART 2** WHICH INCLUDE THE REST OF THE WORD WHICH WE WANT TO TRANSLATE FROM ENGLISH TO APATANI. THANK YOU. >> I WOULD LIKE NOW TO GIVE THE FLOOR TO SECRETARY GENERAL HOULIN ZHAO FOR HIS REMARKS. >> HOULIN ZHAO: THANK YOU VERY MUCH. DEAR FRIENDS. I'M VERY PLEASED TO JOIN MY **BROTHER FOR THIS VERY IMPORTANT** WORKSHOP. LET ME JUST OFFER YOU MY HEART FELT CONGRATULATIONS FOR SUCCESSFUL CONCLUSION OF THIS WORKSHOP AND ALSO FOR THE IMPORTANT WORK UNESCO HAS DONE TO PRESERVE
