

## Join youth sessions at the 2026 WSIS Forum & AI for Good Global Summit!

Are you ready to connect, learn, and shape the future of tech? Join us at the 2026 WSIS Forum and the AI for Good Global Summit!

The WSIS Youth Day, taking place on 6 July 2026, is a dedicated day for young leaders, innovators, and changemakers to engage in discussions on digital development, emerging technologies, and global collaboration. Explore the full agenda, including other thematic sessions that match your interests here: <https://www.itu.int/net4/wsis/forum/2026/Agenda/>

From 7 to 10 July 2026, the AI for Good Youth Zone and Youth Stage will host a dynamic series of workshops, interactive sessions, and networking opportunities designed specifically for youth. Whether you are interested in AI, digital innovation, or making a global impact, there is something for you. Browse and filter youth-focused sessions here: <https://aiforgood.itu.int/summit26/programme/>

### Registration links
