Subject: First Meeting of the High-Level Experts Group (HLEG) for the Global Cybersecurity Agenda (GCA), 5 October 2007, Geneva, Switzerland.

Dear Sir/Madam,

As a follow-up to my earlier letter on the subject, I am pleased to invite you to the inaugural meeting of the High-Level Experts Group (HLEG) for the Global Cybersecurity Agenda (GCA) that will take place at the ITU Headquarters in Geneva on 5 October 2007.

The purpose of this meeting is to meet with you and personally thank you for agreeing to support the Global Cybersecurity Agenda (GCA) through your participation in the HLEG.

This first meeting will launch the HLEG and, through discussions, arrive at a common understanding on the next steps to be taken to move forward with the GCA.

Please find enclosed the draft agenda, a proposed strategy for the Global Cybersecurity Agenda and the registration form.

I look forward to meeting with you to ensure a productive and successful meeting.

Yours faithfully,

Dr. Hamadoun I. Touré
