ITU-T Recommendation H.263 Appendix II (05/2001)

## **Recommended Optional Enhancement**

The content of the H.263 Appendix II approved in February 1998 has become obsolete after the approval of H.263 Annex X. Since this Appendix is used as a reference by many users of ITU-T texts, this Appendix is provided mainly as a reference for users unaware of the contents of H.263 Annex X.
