Re: ATIS IIF Content on Demand Architecture

Dear Mr. Kawamori:

The Alliance for Telecommunications Industry Solutions (ATIS) IPTV Interoperability Forum (IIF) is pleased to provide the ITU IPTV-GSI with a draft copy of IIF-WT-063, *IPTV Content on Demand Service*. We are hopeful you find this document useful and informational.

The attached ATIS standard is being provided to the ITU-T for the purposes of developing standards. Please seek permission before including or reproducing any excerpts from this document into a final ITU-T document(s) and/or before retransmitting this document outside of the ITU.

Please feel free to contact me if you have any questions.

Sincerely,

Jackie Voss
ATIS Manager – Standards Development
