The Council,

recalling

Resolution 11 of the Plenipotentiary Conference (Rev. Antalya, 2006) on world and regional telecommunication/information and communication technology exhibitions and forums (ITU TELECOM),

considering

a) that ITU TELECOM WORLD was launched in 1971 in Geneva and ten events have been held by 2006;

b) that regional ITU TELECOM events were introduced in 1985 to showcase each region's achievements and challenges;

c) that ITU TELECOM events sometimes have been a great success and sometimes suffered a set-back due in part to economic downturn;

d) that ITU TELECOM events are facing a great challenge for the need to adjust to current market realities, which have been shaped by privatization, convergence, consolidation of the ICT industry and the entry of new players that are not traditional ITU members;
