

- d) [Opinion 6](#) of the World Telecommunication Policy Forum (Lisbon, 2009);
- e) the section regarding the World Conference on International Telecommunications (WCIT) set forth in the rolling Operational Plans ([Document C09/14](#));
- f) Resolution 156 (Antalya, 2006), Scheduling of conferences,
- considering*
- 1 that all Member States should have the opportunity to contribute to further work on this topic;
- 2 that the financial impact of further studies must be carefully considered,
- resolves*
- 1 that a Council Working Group to Prepare for the 2012 World Conference on International Communications (CWG-WCIT12) be created with the Terms of Reference as shown in Annex 1 of this Resolution;
- 2 that the Group will hold meetings as set forth in Annex 2 of this Resolution;
- 3 that the Group submit progress reports to Council 2010 and 2011;
- 4 that the Group submit a report to the 2010 Plenipotentiary Conference;
- 5 that the Group present its final report, well in advance of WCIT, for the use of Member States in preparing their proposals to that conference;
- 6 that the Group's final report be submitted to WCIT by the Secretary-General,
- instructs the Secretary-General and the Directors of the Bureaux*
- to make available to this Group the means necessary to implement the provisions of this resolution, within the available financial resources of the Union,
- invites the relevant Study Groups within the three Sectors*
- each within its field of competence to carry out any further necessary studies aimed at preparing for WCIT and to report to the Group, as appropriate,
- invites Member States and Sector Members*
- to contribute to the work.
