Telecommunication Company of Iran (TCI) was established in 1971. It has 31 affiliated companies all over Iran. It is the sole operator of subscriber base of 25000000 fixed telephone lines in Iran. Its 32000000 mobile subscriber base is operated by one of its affiliates known as MCI. TCI has provided telecommunication lines and services in 55000 villages. Two other I.R. ICT Ministry affiliated companies i.e. Infrastructure Telecom Company(TIC), Information Technology Company of Iran(ITC) support TCI in providing these services. It is under privatization process.
