The Malaysian Communications and Multimedia Commission (SKMM) is entrusted with the role of promoting and regulating the communications and multimedia industry and to enforce the communications and multimedia laws in Malaysia. Our primary role is to implement and promote the government's national policy objectives for the communications and multimedia sector. SKMM also oversees the new regulatory framework for the converging industries of telecommunications, broadcasting and online activities, in accordance with the national policy objectives set out in the Communications and Multimedia Act 1998 (CMA), as well as postal services and digital certifications.

MEASAT

MEASAT Satellite Systems Sdn Bhd
Jalan Teknokrat 1/2
MY-63000 Cyberjaya, Selangor
Malaysia
Tel: +60 3 8213 2188
