SSPF is a state agency responsible for social insurance and pension provision in Azerbaijan. It provides compulsory state social insurance to all working population of Azerbaijan. Its responsibilities include registration of physical and juridical entities, contribution collection, calculation, financing and delivery of pensions and allowances. SSPF provides social insurance services both local and international citizens - residents of Azerbaijan. Pension scheme comprises two pillars - solidarity (lifetime guarantee provided by the Government of Azerbaijan) and notionally defined part (depends on the level of virtual savings of insured individuals). SSPF employs about 3000 personnel and has about 90 offices across the country.
