Launched in 1979, Al-Iktissad Wal-Aamal remains, to date, the leading business magazine in the Middle East and Gulf region. It covers business, economic and current affairs in the Arab countries with unrivaled depth and authority. Al-Iktissad Wal-Aamal publishes 12 regular and special issues dedicated to countries, sectors and industries, its average circulation of 47,000 copies per issue reaching senior governmental officials, corporate executives, investors, bankers, entrepreneurs and other decision-makers. It has a network of specialized writers and correspondents in Arab countries and offices in Beirut, Dubai, Riyadh, Jeddah, Kuwait, Cairo, Tunisia, Algeria and Istanbul, backed by representatives in international markets.
