ASSOCHAM, India's premier apex chamber, established in 1920, covers membership of over 300,000 companies and professionals across the country. As an apex industry body, it represents the interests of industry and trade, interfaces with Government on policy issues and interacts with counterpart international organizations to promote bilateral economic issues. ASSOCHAM through its 60 expert committees is represented on all national and local bodies and is, thus, able to pro-actively convey industry viewpoints, as also communicate and debate issues relating to public-private partnerships for economic development.
