The Foreign Trade Department of the Brussels-Capital Region is a public body that aims to stimulate, develop and improve the export capacity of Brussels companies by: providing information about foreign markets to Brussels companies through its network of economic and trade attachés; organizing trade missions and group stands at international exhibitions; and supporting the prospect initiatives of Brussels companies through financial incentives. The Foreign Trade Department also guides and helps foreign companies interested in Brussels products, services, technologies and know-how, in identifying potential business partners in the Brussels Region that meet their demands.
