Celcom is the country's most experienced and premier mobile cellular telecommunications company, with over nine million customers. Its network coverage reaches 98% of the populated areas, with the widest 2G, 3G and 3.5G coverage in Malaysia. Celcom was awarded the Mobile Service Provider of the Year and Service Provider of the Year awards at the 2009 Frost & Sullivan Malaysian Telecom Awards. Its international roaming service covers 141 countries and over 380 networks worldwide. Celcom - a member of the Axiata Company - offers postpaid, prepaid and enterprise products and services and is the leading mobile broadband provider in Malaysia.
